MORE ABOUT THE MADISON 28.32

The land consists of pastureland with large, scattered oaks and a stretch of plantation pines. This former equine farm boasts nearly one mile of durable drill-stem pipe fencing; fill the pastures with horses or cattle, cut hay, or simply enjoy the open ground. With full access to the quiet $30\pm$ acre Kearney Park lake, you will appreciate a private pier and nearly 500 feet of shore frontage. This property truly offers peaceful country living.

About the Kearney Park community: Nestled only a few miles west of Flora and just 1.5 miles from the Big Black River, a tributary of the Mississippi River, Kearney Park is located in the Madison County School District and zoned for East Flora Elementary. With a population of just over 1,000 people per the 2020 census, this really is a quiet, small-town place to raise a family or retire. As a bonus, Madison and the Jackson Metro area are less than 30 minutes away.
