WELCOME TO WILDFLOWER POINT

WELCOME TO WILDFLOWER POINT IN CLARKE COUNTY, MISSISSIPPI! Perfectly named from the story of the property: once just a piece of land was thoughtfully shaped into something beautiful, while its natural character was left to shine. Like a wildflower taking root, this 29± acre property feels as though it belongs right here, grown from the land and not simply placed on it.

THE HOME

A custom-built, 2,944± square foot home features thoughtful craftsmanship throughout. The open-concept living, dining, and kitchen area is framed by large wooden beams and 25-foot vaulted pine tongue-and-groove ceilings, with a gas-log fireplace anchoring the living space.

The kitchen is designed for cooking and gathering, with quartz countertops, an island, a double oven, built-in appliances, and custom-built cabinetry throughout for seamless practicality. A walk-in pantry with pocket doors provides convenient storage. Large kitchen windows bring in natural light and provide second-to-none views of the backyard and Chinquapin Lake, a private 40± acre natural water feature.

MORE ABOUT WILDFLOWER POINT

THE LAND

The home sits on a natural point on Chinquapin Lake, giving the property a distinctive setting and beautiful views over the water. The lake is secluded, lined with towering oaks, and is home to various waterfowl, wildlife, and even a pair of resident eagles. Fishing is incredible on Chinquapin Lake, but year-round enjoyment such as kayaking, paddleboarding, and a lakeside “beach” provide opportunities only afforded to private ownership. The remaining acreage includes mature pine and hardwoods, with a live creek flowing into the lake. There are established trails around the property that make it easy to come and go to hunting spots or just enjoy nature walks through the woods.

MORE ABOUT WILDFLOWER POINT

A 30 x 30 barn is style-matched to the custom home and conveniently located down a separate drive on the edge of the large front yard. Water has already been run to the barn, which has room for up to six stables, or it could be used as covered storage for tractors or other various equipment.

Raised flowerbeds and a fire pit sitting area in the backyard add opportunities to garden and gather outdoors. Wildflower Point is a ONE STOP SHOP for all things hunting, fishing, kayaking, trail riding, and homesteading, making for a wonderful property for kids to grow up with the outdoors close at hand. Zoned for the Enterprise School District, the location is ideal for raising a family and having the feeling of being detached from the world.
