MORE ABOUT 5588 HIGHWAY 71 SOUTH

A paved loading dock and bay door are located on the south side of the building. There are two points of entry in the front: double entry swinging doors and automatic sliding doors. The building served the community for years as Smith's Grocery. Behind the building and the parking lot is a green space with mature trees for shade that has access to all city utilities. On the inside, you will find a blank slate with block walls, concrete flooring, and some original vinyl tile. Plumbing is in place for a restroom; however, the interior framing has been removed. There have been some electrical upgrades, and natural gas heat pumps, and a mechanical room. The building has a **BRAND NEW** rolled membrane roof **INSTALLED IN AUGUST 2025** and a metal awning that surrounds the exterior. Rooftop signage is in place and can be customized for the new owners. With the vast amount of square footage and ample paved parking, this property could be used for anything you dream! Whether you need storage, want a large retail space, would like to start a recreational business such as ax throwing, archery lanes, or a party place, or want a large footprint for a restaurant, you truly are only limited by your own imagination. Included in this listing is a storage building and a two-bay car wash with a vacuum..
