WELCOME TO THE LAWRENCE 43

WELCOME TO THE LAWRENCE 43 ON CROOKED CREEK ROAD IN SILVER CREEK, MISSISSIPPI! This 43± acre recreational and timber tract in Lawrence County is exactly the kind of property hunters look for. With a proven history of quality deer and turkey hunting, the tract's narrow, winding layout allows it to hunt much larger than a conventional 40± acre parcel. The Lawrence 43 truly feels like you're hunting an eighty acre tract.

The current owner has already put in the work with a well-established internal trail system, providing easy access from the front all the way to the back of the property for hunting, management, or recreation.

Utilities are available nearby, making this an excellent option whether you're considering building a small hunting camp or simply adding a high-quality satellite tract to your portfolio. If you're searching for an affordable, ready-to-hunt property with strong habitat and long-term potential, this one deserves a closer look.

Contact Braden Smith today to schedule a private showing and experience #TheSmallTownWay.
