WELCOME TO THE MONTGOMERY 145

IF YOU'RE LOOKING FOR A SECLUDED PROPERTY THAT OFFERS BOTH RECREATIONAL ENJOYMENT AND TIMBER INVESTMENT POTENTIAL, THIS 145± ACRE TRACT IN MONTGOMERY COUNTY, MISSISSIPPI, DESERVES YOUR ATTENTION. Located just 18± miles northeast of Winona and approximately 12 miles east of Duck Hill, the property has gravel road frontage on both Lake Road and Ship Island Road.

The land offers a mix of timber types and ages, including roughly 48 acres of 23–24-year-old pine plantation that was last thinned around 2014. This stand offers the potential for either a selective or full harvest. The remaining balance of the tract is composed of natural pine and hardwood regeneration around 15 years old, along with scattered pockets of mature timber. A small stream runs across the property and connects to Mouse Creek along the western side, where about 35 acres fall into a bottomland area. It's great habitat for wildlife and gives the land a little extra character and added recreational value.
