Brouilletts Creek 82 Land For Sale

Clinton, IN / Vermillion County

PROPERTY DESCRIPTION

The Brouilletts Creek 82 is a 82 acre property located in Vermillion County just west of Clinton, IN 47842. This property is being marketed as mixed use residential, recreational building site. With power and road frontage available, all that is needed is that new home or weekend cabin. The property has access to a 27 acre lake. Each parcel on the lake will have water rights to the entire lake for freshwater fishing and recreational activities. Hunting rights will be restricted to the deeded lake and land portion of each property. This area is well known for its waterfowl numbers. Thousands of duck and geese travel to this area each winter to roost on the area lakes and feed in the surrounding ag fields. This parcel could be exceptional waterfowl property. With multiple shallow water depressions, the local ducks visit this parcel often. With a little dozer work, these wet spots could be double or tripled in size. The power could be used to keep water open with pumps or ice eaters. Many other game animals call this area home. Whitetail deer visit the lake to drink and use some of the thicker cover to seek shelter. Turkeys and other small game animals call the small shrubs home and can be seen moving between areas of cover. If you're looking for a building site that offers great views and recreational opportunities, check out the this listing.
