PROPERTY DESCRIPTION

28 +/- Acres of Productive Tillable Land — Northern LaPorte County, IN

Located on the north side of LaPorte, Indiana, this **28 +/- acre property** offers a great opportunity for investors, 1031 exchange buyers, and local farmers alike. The property features **level, high-quality tillable ground**, ideal for consistent crop production and easy farm management.

Tillable farmland continues to be one of the **most stable and reliable investment assets**, offering steady annual income and long-term appreciation potential. Whether you're looking to expand your current operation or diversify your investment portfolio, this property provides a chance to own land in a strong agricultural region of northern Indiana.

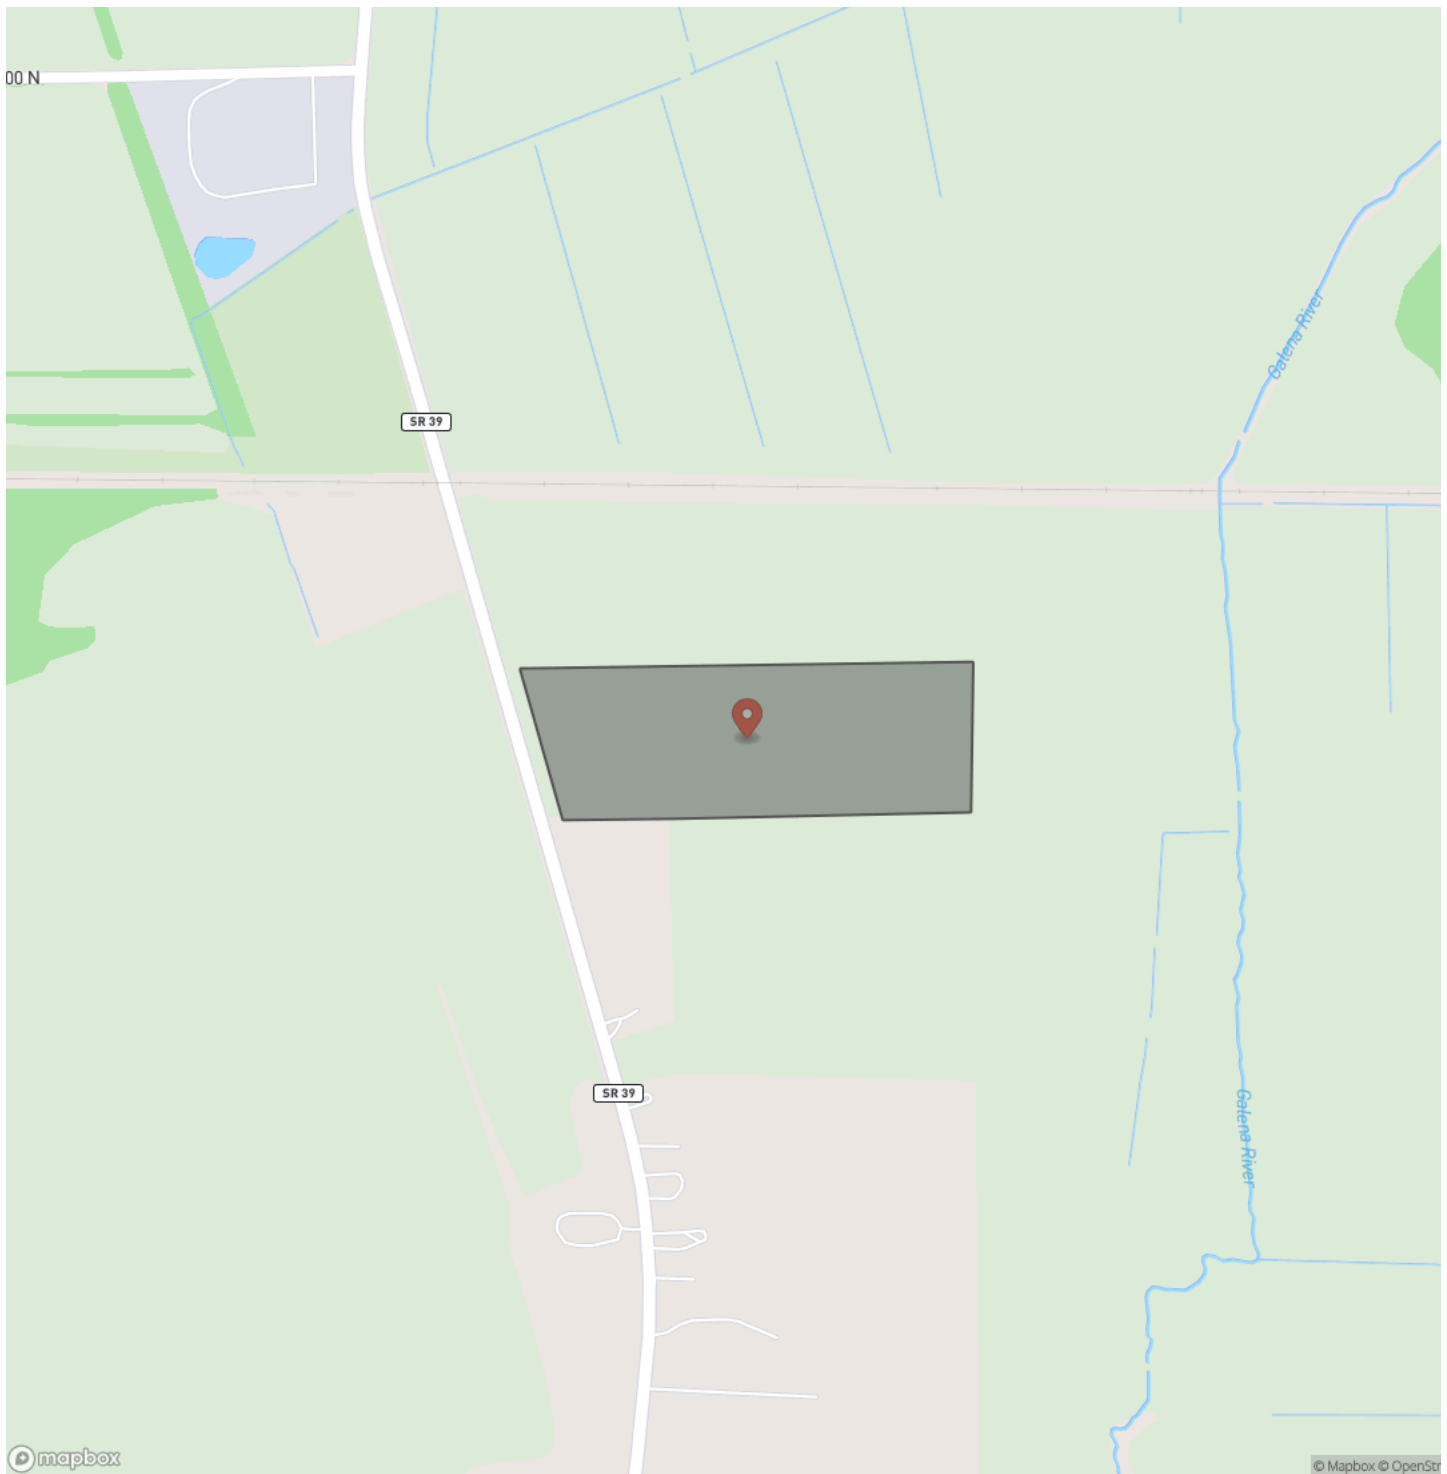

The land lays level, making it efficient to farm, with great access and productive soils that contribute to solid yields year after year.
