WELCOME TO THE LAFAYETTE 9.96

THE LAFAYETTE 9.96 IS AN INVESTMENT OPPORTUNITY WITHIN THE CITY LIMITS OF OXFORD, MS. This Lafayette County property has been in the same family for many years as an operational fabrication/welding shop with a ranch-style residence. Although functional, these improvements likely don't contribute much value to the property, as the highest and best use has changed over the years. The 9.96± acre property enjoys high visibility frontage along the south side of Highway 6, directly south of Walmart and Jackson Avenue, a main travel artery through Oxford. However, the ingress and egress access comes from 3559 Fielder Lane, which has a Highway 6 entrance and crossover approximately 1,900 feet to the west. According to MDOT, the most recent Highway 6 traffic count is 38,000 cars per day and is sited just to the east of the property. The topography is relatively hilly and split by a ditch. Approximately 5± acres on either side of the ditch are in the FEMA Flood Zone.
