WELCOME TO THE LAFAYETTE 48

WELCOME TO THE LAFAYETTE 48 LOCATED ON CR 428 RIGHT OUTSIDE OF PARIS, MS. This Lafayette County property is a nice quiet place, perfect for a future homestead. About two thirds of the property is wooded with mostly pines and a few stands of mature hardwoods. The terrain in the wooded section is made up of steep ridges and draws which lead to the top of a large hill. The north end of the tract offers paved road frontage while the remainder is bordered by a private property. Access to the southern end could be improved with a little roadwork. A large beanfield is situated on the north side and would be a perfect location for a house or cabin. This part of the property has access to water and electricity and is located outside of the floodplain. This property is within a thirty-minute drive of Oxford.

If you are looking for a home/cabin site with great hunting in Lafayette County, call Michael Oswalt for your private tour today.
