MORE ABOUT THE SUNFLOWER 2.3

The property is zoned C-3, Highway Commercial District, which encompasses most of the businesses along and on either side of US Highway 82. The parcel is primarily located in a professional development with restaurants, a medical clinic, financial institution, business offices, and a church.

The property offers a level topography with access to all public utilities provided in the City of Indianola (water, sewer, electricity, natural gas, telephone, and internet services). The site is in FEMA Zone X – not a designated flood hazard area – with reduced flood risk.
