Inside the open floor plan welcomes you with soaring vaulted ceilings and exposed beams that bathe the space in natural light creating a warm, airy ambiance throughout. The main level features two cozy bedrooms and a 2 full baths, offering comfortable accommodations for family and guests. Upstairs a charming loft 3rd bedroom adds extra sleeping space and a touch of character. You're also just 10 minutes from Warm Springs and convenient interstate access. Important Note: This resort does not allow year-round owner occupancy, preserving the peaceful, getaway atmosphere. The onsite management encourages owners to put their chalets in the rental program which means built-in rental income when you're not using it. Outside rental companies are not permitted, ensuring consistent management and care. This is not a high-volume rental investment community-the goal is a true vacation experience with rental income helping offset annual costs. Average rental income for chalets in the community ranges from \$18,000-\$22,000 gross rental income per year, per management. The income is split 60/40 (owner/PMCC) with the resort handling everything-advertising, guest check-ins, housekeeping, and maintenance. Don't miss your chance to own this exceptional mountain escape in Pine Mountain Club Chalets Resort-where relaxation, adventure, and income potential all come together!
