PROPERTY DESCRIPTION

6.98 Acres of Wooded Land with Pond, Wildlife, and Endless Potential.

This 6.98-acre property in North Carolina is a beautiful piece of land that gives you the space and freedom to enjoy the outdoors your way. The entire property is wooded, with young hardwood trees and some pines spread throughout. These trees provide privacy and may offer timber value in the future as they continue to grow. The property also offers approximately 485 feet of road frontage, giving you easy access.

Adding to its potential, the property was formerly used as a homesite, and an older permit is available showing the land was previously found suitable for a septic system. This history offers a great starting point for those looking to build a permanent residence.

One of the best features of this land is the pond located right on the property. It brings in all kinds of wildlife, including deer, turkey, birds, and small animals. If you enjoy hunting, nature watching, or wildlife photography, this is a great spot to spend time. The pond also adds to the natural beauty of the property, making it a relaxing place to sit, fish, or just enjoy quiet moments outdoors.

The property has a portion that is considered wetland, which helps support the wildlife and adds to the natural scenery. Even with the wetlands, there is plenty of usable land for future plans. The property does not fall within the FEMA floodplain. With no restrictions, you have the freedom to use the property however you choose. You can build a home, set up a cabin, create a hunting camp, or just use the land for recreation. It's perfect for camping, riding four-wheelers, walking trails, or creating a private getaway for your family. The mix of woods, water, wildlife, and open possibilities makes this property a rare find. It's a great place for someone who loves the outdoors and wants space to enjoy it.

Located 18 minutes from Whiteville, 23 minutes from Bladenboro, and 25 minutes from Lumberton.
