10.10 acres of Recreational and Residential Land For Sale in Duplin County NC! Situated outside of city limits, this multi-use, unrestricted property features open space, timber, and a 8-acre pond bordering the rear. Whether you're looking to build your dream home, start a hobby farm, or enjoy a private recreational retreat, this property provides the flexibility and setting to bring your vision to life!

The tract features approximately 217± feet of road frontage along Euray Moore Road. This property has approximately 7 acres of Tillable Farmland, which is currently being tended by a local farming operation. Approximately 3 Acres of a Natural Regrowth of Timber, consisting of pines with some mixed hardwoods. Per LandID Soil Maps the soils are: 75% Norfolk Loamy Fine Sand (NoA), 20% Norfolk Loamy Sand (NoB), and 2% Goldsboro Loamy Sand (GoA). These soil types not only have led to successful crop production and harvest but also to the potential of favorable soils for a septic system. A soil analysis has NOT been completed on the property.

This property borders a Large 8 Acre Beaver Pond, which had vast evidence of waterfowl usage, and potential home to freshwater game fish. Having a mix of timber and farmland it would also be a place that should hold plenty of large & small game activity. Game trails and tracks were evident along the farm fields, and timber. Bow Hunters can hang sets back in the timber and catch one slipping near the water. The property is level throughout, sitting at around 140 feet in elevation, with a slight 10' drop at the pond.

Nestle your home back off the road and take in the beauty of the nature that surrounds you.

This property is Unrestricted and is NOT located in a FEMA Floodplain but does have a Wetland Designation at the rear (at the pond).

This property is a blank canvas ready for the proud new owners to make it their own.

From the property, you are about 5 minutes to Warsaw, 15 minutes to Faison, 20 minutes from Clinton, 50 minutes to Wilmington and 1 hour to Fayetteville.
