Have you been looking for the perfect mix of Residential and Recreational Opportunities?

This unrestricted property is ready for you! This property has a mix of roughly 13-year-old pines and hardwoods all throughout, this being a natural regrowth of timber. There is approx. 500' +/- of road frontage off of 410. Per LandID Soil Maps, the property is primarily Pantego Loam (Pe). Which has led to a successful timber growth. This property is relatively flat sitting at a constant around 130' of elevation. The property is located in a Wetland Designation per Land ID Maps. Upon walking the property signs of wildlife was very evident with game trails and tracks running throughout. Noted some rubs and scrapes in the timber as I made my way through. This property is a blank canvas ready for the proud new owners to make it their own.
