PROPERTY DESCRIPTION

If you're searching for a premier hunting property with outstanding habitat along with incredible grazing opportunities, this 115.73 +/- acre tract in Muskogee County deserves a look! At the heart of the property is a thick, timbered creek draw that serves as a natural travel corridor for wildlife. It's a true big buck highway! Surrounded by native pasture, dense shrub cover, and a pond, this property provides everything deer need to thrive, making it an ideal destination for hunters. The property's rolling topography naturally shields the wooded creek draw from the road, allowing wildlife to travel, bed, and thrive with minimal disturbance. This combination of cover, water, and seclusion creates exceptional year-round habitat for whitetail deer, wild turkey, quail, and other native wildlife. The property is fully fenced, though some maintenance would enhance its condition, and it offers excellent potential for livestock grazing with a little cleanup and management. Electricity is available at the road, making future improvements or a cabin site more convenient. Conveniently located just a short drive from Lake Eufaula, this versatile property offers the perfect combination of recreational enjoyment, agricultural potential, and long-term investment value! The property is located 8+/- miles from Bixby Creek on Lake Eufaula, 15+/- miles from Whitefield and 29+/- miles from Muskogee. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Bret Horn at [\(580\) 737-0111](tel:5807370111).
