PROPERTY DESCRIPTION

Take a look at Fourmile Creek Farm, an exceptional 163+/- acre recreational and tillable income-producing property with blacktop frontage in Ottawa County, Oklahoma, offering an outstanding mix between productive farmland and quality hunting opportunities! Properties that blend strong agricultural income with premier hunting opportunities are becoming increasingly difficult to find, and this farm is a prime example of both! Approximately 27+/- acres of mature hardwood timber line the banks of Fourmile Creek, creating the type of secluded travel corridors and bedding cover that consistently attract and hold mature whitetails. Numerous natural funnels, stand locations, and ideal food plot sites provide outstanding hunting opportunities throughout the season, while the creek and multiple drainage ditches offer the potential for reliable water sources and excellent wildlife movement. The surrounding area is made up of large tillable farms intermixed with neighboring timber tracts to the north and west, creating an ideal balance of food, cover, and travel corridors that supports healthy populations of whitetail deer, turkey, and waterfowl for the area. Sitting just +/- 2 miles from the Kansas State line this property offers the feel of a premier Kansas hunting farm while remaining in Oklahoma. The balance of the property consists of productive tillable acreage featuring predominantly Verdigris, Parsons, and Dennis silt loam soils with NCCPI Ratings from 59-87%. This farm will grow the crops you have been wanting to plant. These fertile, well-drained soils have long been recognized for their strong agricultural productivity, providing dependable farming potential while creating an abundant destination food source for the area's wildlife. Accessibility is another standout feature of this property. Blacktop road frontage provides convenient year-round access, while the property's excellent natural drainage and well-defined field layout make it easy to farm, maintain, and navigate. Whether you're looking for a high-quality hunting farm with annual income, a productive investment property, or a combination of both, Fourmile Creek Farm offers the opportunity to own a tract that checks nearly every box! Any or all minerals owned are conveyed with the sale of the farm. This farm is located just +/- 18 minutes from Miami, +/- 42 minutes from Joplin, and just 1 hour +/- 32 minutes from Tulsa. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Bret Horn at [\(580\) 737-0111](tel:5807370111).
