There are multiple places to section off acres to build homes or leave as is and enjoy the hunting and Tuttle Creek Reservoir access. Not only are you close to Tuttle Creek, but you have public access to the rest of the lake to enjoy excellent fishing and public waterfowl hunting.

Hunting wise the property is in a very highly managed area. The farm is covered in thick wooded draws, pinch points, and some open areas great for hunting whitetail deer. This area of Pottawatomie county by the lake is one of the most sought after areas for hunting in the entire state due to the fact that a high majority of land owners manage for trophy whitetail. Aside from the whitetail hunting the turkey and quail hunting is great as well.
