SWAMP CREEK HUNTING RANCH Plains, MT / Sanders County

PROPERTY DESCRIPTION

Swamp Creek Hunting Ranch Sanders County, MT +/- 1,799 Acres \$2,750,000 or \$1,529 per Acre MAJESTIC VIEWS, ENDLESS ADVENTURE Swamp Creek Hunting Ranch spans +/-1,799 acres of mountain ground west of Plains, Montana. The landscape features a blend of open benches, timbered slopes, and natural drainages, with year-round Bemish Creek flowing through the property. Several seasonal creeks and natural springs are also present, adding to the overall water resources and enhancing wildlife habitat across the tract. The ranch borders Lolo National Forest, offering direct access to expansive public lands for hunting, hiking, and other recreational pursuits. In 2017, the Sheep Gap Fire reduced the thick understory. As a result, the property gained lower fire risk, improved visibility, and favorable conditions for habitat recovery and new forage growth. There are no structures or utilities in place, providing a blank slate for future development, recreation, or land stewardship. Access is via an unimproved Forest Service road, with existing internal logging roads offering reach across key areas of the property. Located in FWP Region 1, Hunting District 121, this area is known for strong populations of elk, deer, black bear, mountain lion, and upland birds. The ranch lies approximately 30 minutes from Plains. Missoula Montana Airport (MSO) is 90 minutes away, and Missoula and Kalispell are each within a two-hour drive.
