PROPERTY DESCRIPTION

Whether you're searching for a COMMERCIAL site, a RESIDENTIAL homesite on acreage, or simply raw LAND, this versatile property in Marion, Montana, offers a truly unique opportunity. Privately tucked away in the trees behind a long driveway, you'd never guess this parcel enjoys over 1,300 feet of frontage along Highway 2. With no codes, covenants, restrictions, or HOA, its an ideal location for living and working from the same property.

In addition to TWO large shops, the parcel includes a charming 2007 cabin offering 401 square feet of cozy living space, complete with a wood-burning stove. Whether you're looking for a full-time residence, weekend retreat, or a place to stay while building your dream home, the setup offers great flexibility.

The main shop measures 30'x50' with an additional 15'x20' rear bump-out and is equipped with propane heat, a wood stove, and 110-amp electrical service (wired for 220). It also features two 20'x50' awnings perfect for sheltering equipment, RVs, and vehicles. The second shop is outfitted with propane heat, a bathroom, a kitchenette, and living quarters ideal for guests, workspace, or additional storage.

A septic system serves both the cabin and one of the shops, and 2" insulated PVC water lines are already installed and ready for hookup at the large shop. Set on over 14 acres of usable land, the property is surrounded by a picturesque pine forest of Douglas fir, larch, and lodgepole pine. The Highway 2 frontage offers excellent exposure and access, just 4 miles from Marion and 6 miles from Little Bitterroot Lake, known for its exceptional kokanee salmon fishing.

Outdoor recreation in this part of Montana is abundant. Nearby destinations include the Salish Mountains, Thompson Chain of Lakes, Thompson River, Cabinet Mountains, and more. Wildlife is plentiful, with whitetail deer, turkey, bear, grouse, mountain lion, elk, moose, and mule deer all calling this forested region home. Popular local fisheries include Little Bitterroot and Ashley Lakes, offering kokanee, pike, perch, lake trout, and whitefish.

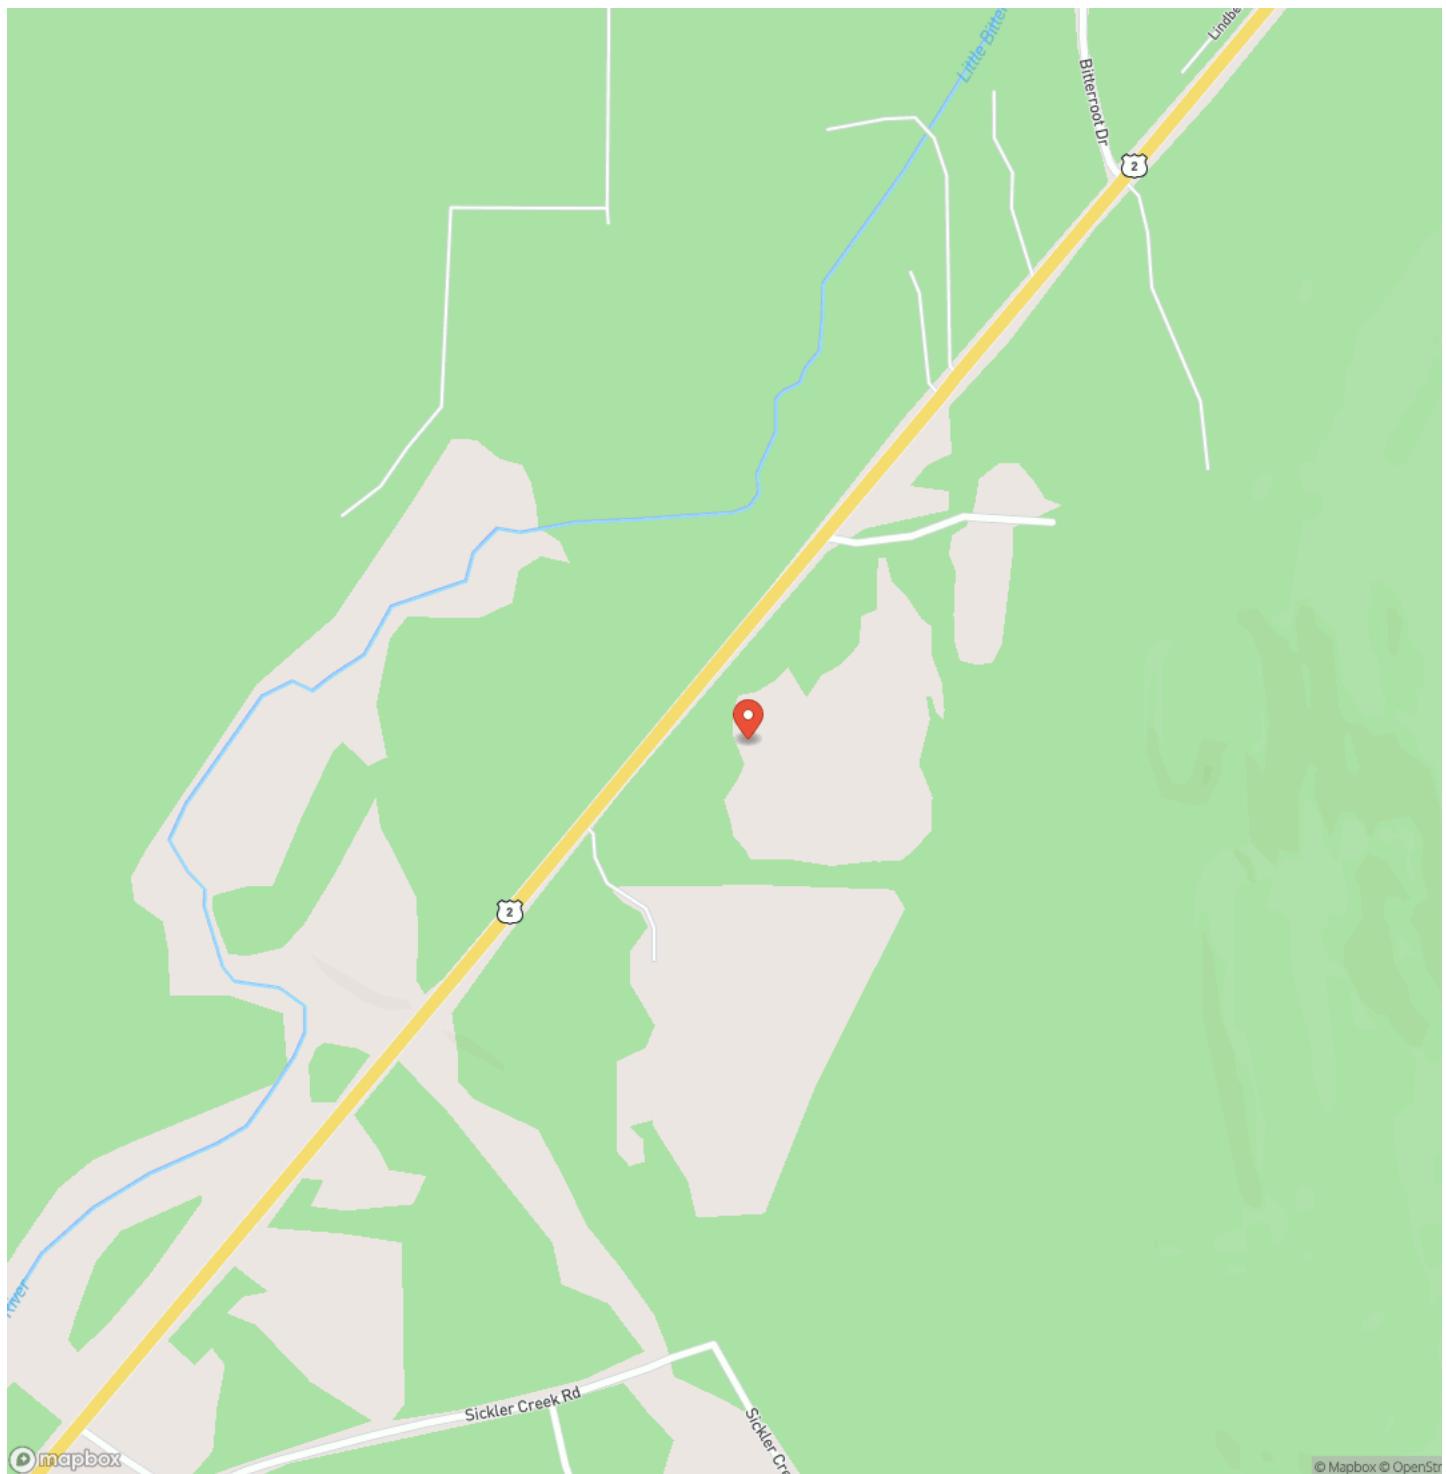

Located in Hunting District 103, the area supports general deer and elk seasons with over-the-counter black bear tags available. Whether you want to start a business, build your residence, or develop a live/work property in a beautiful setting property offers endless options.
