PROPERTY DESCRIPTION

Set well off the county road on 11+/- peaceful acres in Pratt County, Kansas, this property captures everything people love about country living! Surrounded by mature trees, open views, and abundant wildlife, it's the kind of place where mornings begin with turkeys sounding off in the distance, deer wander through the property, and evenings end with quiet sunsets from the back deck. The 3,200+/- square foot home offers five bedrooms and three bathrooms, providing plenty of room for family, guests, or anyone looking to enjoy a little extra space. Thoughtful updates completed within the past five years bring modern comfort while maintaining the home's warm, welcoming feel. Large windows and the back deck create the perfect place to take in the peaceful surroundings and the wildlife that regularly visits the property. A new roof has been installed on both the home and the shop, providing added value and peace of mind for the next owner. The land has been carefully maintained with selective tree clearing and native wildflower restoration, creating an attractive landscape that blends naturally with the surrounding countryside. While the acreage is easy to manage, it still provides the privacy and rural atmosphere that make this property feel like your own retreat. Located just 5+/- miles from Pratt, you'll enjoy the best of both worlds; quiet country living with the convenience of town only minutes away. Whether you're raising a family, looking for room to spread out, or simply wanting to wake up every day surrounded by nature, this is a property where you can slow down, enjoy the outdoors, and truly appreciate life in the Kansas countryside! The adjacent 28 +/- acres is also available for purchase. All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Abe Peters at [\(620\) 388-4900](tel:6203884900).

Disclaimer: The boundary lines shown are approximate and are provided for general reference only. Arrowhead Land Company makes no representations or warranties, express or implied, as to the accuracy, completeness, or reliability of those property lines. Buyers are advised to obtain an independent survey to verify exact property boundaries.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
