PROPERTY DESCRIPTION

HWY 59 Ranch is a scenic 47 ± acre recreational property in northeast Jack County offering rolling terrain, quality wildlife habitat, and convenient State Highway 59 frontage between Bowie and Jacksboro. With approximately 90 feet of elevation change, a healthy mix of hardwood timber and native pasture, and a pond that attracts wildlife year-round, the ranch provides an excellent opportunity for hunting, recreation, or building a private country retreat. Located within an easy drive of the Dallas-Fort Worth Metroplex, it offers the ideal balance of accessibility, privacy, and long-term investment potential.

Ranch Features

The ranch combines attractive topography with diverse habitat to create a property that feels much larger than its size. Rolling ridges, wooded draws, and open pockets provide scenic views, natural privacy, and multiple potential homesites. State Highway 59 frontage ensures easy, year-round access while the interior of the property remains quiet and secluded.

Topography

Approximately 90 feet of elevation change gives the ranch character rarely found on smaller North Texas properties. The terrain rises from lower wooded areas to elevated ridgelines overlooking the surrounding countryside, creating impressive views and a landscape well suited for both recreation and future improvements.

The Land

A diverse blend of mature hardwoods, native grasses, and dense cover creates outstanding habitat for whitetail deer, turkey, hogs, and other native wildlife. The balance of timber and open ground provides excellent hunting opportunities while also lending itself to hiking, ATV riding, camping, or developing a custom homesite with scenic views.

Water

A pond serves as a dependable water source for wildlife while adding both beauty and recreational value to the property. Combined with the surrounding habitat, it helps support healthy wildlife populations throughout the year.

Location

Located along State Highway 59 in northeast Jack County, the ranch offers convenient access between Bowie and Jacksboro. Bowie provides shopping, restaurants, and everyday conveniences, while Jacksboro offers additional services just a short drive away. Positioned within comfortable reach of the Dallas-Fort Worth Metroplex, the property is an ideal weekend getaway, recreational retreat, or long-term land investment.

Minerals

None owned.

Summary

Whether you're looking for a weekend hunting property, a future homesite, or an investment in North Texas land, HWY 59 Ranch delivers an outstanding combination of rolling topography, quality wildlife habitat, surface water, and excellent accessibility. Properties of this size offering this much character and convenience are increasingly difficult to find, making this an exceptional opportunity in the heart of Jack County.
