PROPERTY DESCRIPTION

Lodge Creek Ranch is a well-improved, highly functional 80-acre property in Clay County offering a strong combination of comfortable living, quality improvements, and diverse land just outside of Henrietta. Whether you're looking to run livestock, create a weekend retreat or family compound, or establish a full-time rural homestead, this property is ready to enjoy from day one.

Ranch Features

The property is thoughtfully set up for both residential and agricultural use. A 1,720 sq ft, 4-bedroom, 2-bathroom, ranch-style rock home with screened-in porches provides comfortable living, complemented by separate guest quarters for additional space for visitors. Improvements include a 60x60 shop with electricity and equipment apron, a 20x30 shop, and a 25x25 storage building, offering ample room for equipment, tools, and projects. A private water well with storage tank services the property, and pipe livestock pens are already in place to support cattle operations. The land features a mix of native grass pasture and heavy oak timber, along with a pond providing surface water. Easy access is available via Lodge Creek Road frontage.

Topography

With approximately 50 feet of elevation change, the terrain rolls gently across the property, adding visual character without complicating operations. The natural variation between open ground and wooded draws creates a landscape that feels lived-in and purposeful, with room for scenic build sites and a genuine sense of privacy from the road.

The Land

The 80± acres strike a nice balance between productive open ground and quality cover. Native grass pasture supports solid grazing potential, while mature oak timber provides shade, shelter, and the kind of wildlife habitat that makes a place worth sitting still in. A pond anchors the property with reliable surface water, and the overall layout is clean and easy to manage. An agricultural exemption is currently in place, keeping property taxes low.

Location

Situated on Lodge Creek Road in southern Clay County, the ranch sits just far enough outside of Henrietta to offer true rural seclusion. Conveniently located approximately 29 miles from Henrietta, 36 miles from Wichita Falls, 29 miles from Jacksboro, 100 miles from Fort Worth, and 127 miles from Dallas, the property provides easy access to regional amenities while preserving the peace, privacy, and rural character that define the area.

Minerals

Lodge Creek Ranch brings together the right mix of improvements, usability, and setting, making it an easy fit for a range of buyers. Whether you're looking for a weekend retreat or a full-time place in North Texas, it's a property you can step into and enjoy from day one.
