## **PROPERTY DESCRIPTION**

The Naylor Comanche Ranch is a complete sportsman's package. The ranch includes 368 acres of property, a large main lodge, a hunter's cabin, approximately 260 exotic animals, hunting blinds, feeders, UTVs, tractors, trailers, and a full suite of ranch equipment. The land features two well-stocked fishing ponds and several smaller ponds. Originally purchased, developed, and built to entertain the owner's clients, the ranch has never been used for that purpose and remains in exceptional condition.

### **The Property**

Naylor Comanche Ranch spans 368 acres located on County Road 153, approximately twelve miles west of the charming town of Comanche, Texas. The property is nicely shaped—primarily rectangular—with scenic elevation changes and a good mix of open native pasture, brush cover, and mature trees. Roads throughout the ranch are well-maintained and include concrete low-water crossings. The entire perimeter of the property is completely high-fenced for effective game management and security.

### **Location**

The ranch is located in central Texas, just outside of Comanche, providing a quiet and private setting while still offering convenient access to major cities. The property is approximately two hours southwest of the Dallas-Fort Worth Metroplex, making it easily reachable for weekend retreats or business use. It's about one hour from Stephenville, known for its vibrant college-town atmosphere and equestrian community, and just under 90 minutes from Abilene. Austin and San Antonio are both within a 2.5 to 3-hour drive. Whether you're looking for a peaceful getaway or a central hub for entertaining clients or guests, the location of Naylor Comanche Ranch strikes the perfect balance between seclusion and accessibility.

### **The Main Lodge**

Sitting high on the land with an outstanding view of the ranch, the beautifully constructed main lodge totals 9,128 square feet (per building plans), with 4,023 square feet of air-conditioned living space. The lodge features five large bedrooms, each with its own full bathroom, plus two additional half bathrooms. The great room boasts high ceilings and huge windows that bring in abundant natural light. The kitchen is outfitted with custom cabinetry, stainless steel appliances, and a large pantry. The finish-out throughout the lodge is high quality, with granite countertops, hardwood floors, and well-appointed fixtures. The yard around the lodge is fenced to keep animals out of the beautifully maintained landscaping. The lodge was built to be energy efficient and includes a fully equipped game processing facility with a walk-in freezer. All of the very nice furniture in the lodge is included in the sale.

### **Hunter's Cabin**

The hunter's cabin, or guest house, is 1,200 square feet and includes a bathroom, a full kitchen, and air conditioning. It is currently set up to sleep six guests comfortably and offers privacy and convenience for visiting hunters or guests.

### **Wildlife and Exotic Game**

Naylor Comanche Ranch offers excellent hunting for native species including white-tailed deer, Rio Grande turkeys, doves, and varmints. In addition, the ranch includes a significant population of exotic species. According to the owner's estimates, the exotic inventory includes over 100 fallow deer in all four color phases; sika deer with four bucks, does, and fawns; sixteen blackbuck antelope consisting of six bucks and nineteen does plus fawns; over fifty aoudad sheep; eighteen scimitar-horned oryx including six bulls and twelve cows plus calves; twenty-eight elk with eighteen bulls and ten cows plus calves; and nine wildebeest with four bulls and five cows plus calves.
