## **SANDY RIVER WEST TRACT**

#### **PROPERTY DESCRIPTION**

Sandy River West Tract presents a rare opportunity to own over +/- 639 acres of contiguous timberland and recreational property. Conveniently located just over an hour from both Charlotte, North Carolina and Columbia, South Carolina, this property lies just east of the Broad River. Finally, the parcel is located a mile north of Highway 72, providing access to Interstates 77 and 26.

+/- 4,700 feet of paved road frontage along Leeds Road ensures easy access to the property. In addition, it opens up multiple entry points to a network of roads and trails that meander throughout the property. A potential estate or weekend cabin site sits just off of Leeds Road, near a fenced dove field and an established two-acre pond.

Pine plantations, separated by several hardwood runs, make up the majority of the timber and offer potential future cash flow. These runs feed into Mineral Creek, situated to the north of the property, and ultimately lead to Broad River. The hardwoods provide ideal habitat for deer and turkey, making it an attractive option for hunting enthusiasts.
