

An aerial photograph showing a large, irregularly shaped area of dense green forest. A blue line outlines the boundary of this area. The forest is surrounded by other land features: a road and a small pond are to the west, a large open field is to the north, and more forested land is to the south and east. The text "Tract 3" and "11.06 acres" is centered within the blue-outlined area.

Tract 3
11.06 acres
