January 12, 2026 Project # 26003

**STATEMENT OF SURVEYOR:**

All of this survey was made in the field by me using global positioning system (GPS) equipment, using two mult frequency receivers manufactured by Topcon model Hiper XR and by the method of real time kinematic (RTK). Bearings are based on Kentucky State Plane Coordinates South Zone NAD 83; NAVD 88; Geoid g2012au7. The directions and distances are unadjusted. The single worst point relative positional accuracy was 0.03 feet. This survey is a RURAL survey and meets or exceeds the requirements of 201 KAR 18.150. All monuments have been found, set, or referenced as shown hereon. Field work completed January 9, 2026.
