Subject: Waterline on Bainbridge Rd - HWY 398 at Macedonia Cemetery

Good afternoon, Nick.

My apologies on the delay but here is an email confirming that the Christian County Water District has a waterline on Bainbridge Road / Hwy 398 across the road from Macedonia Cemetery. I have attached a picture of the plans and a rough drawing of the line on a Google Earth screenshot.

If you need anything else, please feel free to reach out.

Thank you,

[Heath Howell | General Manager](#)
