PROPERTY DESCRIPTION

9.86-acre fully enclosed mini farm with 2.25% assumable VA loan, 3BR home, barn, pond, and multiple pens!

Welcome to this unique and versatile homestead in Lexington, North Carolina. This property offers a rare financial opportunity: a VA loan with a 2.25% interest rate and an approximate \$320k balance that is fully assumable for qualified buyers.

Formerly operating as an alpaca farm, this property is entirely enclosed with perimeter fencing and is perfectly suited for a horse property or a functional mini-farm. Tucked away at the end of a quiet cul-de-sac, you'll enjoy a rare combination of privacy, established agricultural utility, and a serene country living feel just minutes away from several cities.

As you enter the property through the automatic front gate, a concrete driveway leads you past a private pond - frequently visited by local ducks and geese - up to the 2157 sqft, 3-bedroom, 2.5 bathroom farmhouse. The home has been well-maintained and updated with a brand-new roof and a recently replaced porch handrail. It features a wrap-around porch with views of the pond and grounds, a relaxing back patio, and a large bonus room above the garage. The home includes a pre-paid, one-year alarm system contract that can be assumed by the new owner.

Outdoor enthusiasts and hobby farmers will appreciate the infrastructure already in place:

- **Large Barn:** Ideal for equipment storage and livestock. Has water and electricity.
- **Livestock Shed & Chicken Coop:** Ready for your feathered friends or small animals.
- **Multiple Pens:** Conveniently distributed across the property for easy animal management.
- **Farm Equipment:** The seller is offering a variety of personal farm equipment for purchase separately or to be negotiated into the sale price.

Additional property highlights include:

- 3-bedroom septic system was serviced in 2025
- Intercom system between home and barn
- Recorded survey
- City water service
- 5G Ultra Wideband cell service with Verizon
