

An aerial photograph of a forested area, identified as T5N R10E SEC 26. A red line outlines a specific parcel of land. The parcel is irregularly shaped, starting from a road on the left, extending east, then south, then east again, and finally north to meet the road. Highway 505 is visible as a light-colored road running vertically through the center of the image. Several circular markers with the number '505' are placed along the road. The surrounding area is densely forested with green trees. A purple line runs horizontally across the middle of the image, and another purple line runs vertically on the right side, dividing the map into sections.
