

Turkey Tracks at Hurricane Creek

 Jeff Davis County, GA

 155 +/- Acres

 \$541,725.00

This is truly a one-of-a-kind hunting tract along the renowned Hurricane Creek. The land features oak ridges that roll gracefully into the creek bottoms, creating a rich and diverse habitat. Natural duck ponds dot the creek corridor, while stands of longleaf pine wrap around the hardwood bottoms, offering both beauty and exceptional wildlife cover.

Don't miss the chance to own this exceptional property where timber, wildlife, and recreation come together in one remarkable setting.
