Northwest Mayetta Legacy Farm Mayetta, KS / Jackson County

PROPERTY DESCRIPTION

This 72 +/- acre property in Jackson County offers a rare opportunity to own a highly diverse and well-equipped recreational tract that has remained in the same ownership for nearly 70 years! With a proven history of wildlife activity and a strong mix of habitat, this farm checks the boxes for both hunters and those looking to build a getaway. The property is set up exceptionally well from day one, featuring two-sided road access for easy entry and strategic hunting. A build site has already been started, ideal for a future hunting cabin or camper setup. Utilities are in place, including electric, rural water with two hydrants, propane on site, and a sewer system with laterals installed approximately 15 +/- years ago, saving significant time and expense for future improvements. Wildlife habitat is a standout feature. The farm holds strong populations of whitetail deer, with heavy sign throughout including large rubs and well-traveled corridors. Turkeys are frequently seen across the property, while waterfowl activity has been observed overhead. The mix of CRP, native grass, and timber creates excellent conditions for upland game potential as well. Approximately 31.5 +/- acres are enrolled in CRP with five years remaining on the contract, providing both income and ideal bedding cover. The property is regularly burned to maintain quality habitat. An additional four +/- acre patch of native grass is cut for hay annually. On the North end of the farm, you'll find mature timber and a scenic bluff, offering both aesthetic appeal and potential for harvestable timber value. A small pond adds another water source, and the property lies less than 1/16 of a mile from South Cedar Creek, an area well known for its exceptional whitetail genetics and habitat. Conveniently located just 2.5 +/- miles from Highway 75, 5.5 +/- miles from Prairie Band Casino, and approximately 30 +/- minutes to Topeka, this property offers both seclusion and accessibility. Whether you're looking for a proven hunting farm, a build-ready recreational retreat, or a long-term land investment, this is a property with history, character, and opportunity! All showings are by appointment only. If you would like more information or would like to schedule a private viewing please contact Garrett Currie at [\(785\) 249-0257](tel:785-249-0257). DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
