PROPERTY DESCRIPTION

Land for sale in western Morgan County, Ohio. This 69.21-acre property is mostly wooded and offers excellent hunting, recreational opportunities, and several potential building sites. The property features frontage and access along Newlon Rd, and an established ATV trail system provides access through the majority of the property.

The timber was recently select cut, creating excellent habitat and cover for wildlife. This area of Ohio is well known for producing quality whitetail hunting opportunities. The rolling topography, thick cover, and trail system make this a very usable recreational tract.

Whether you are looking for a hunting property, weekend getaway, or even a new place to call home, this property offers a great opportunity with plenty of potential.

Annual property taxes are approximately \$177.98. The sellers do not own the mineral rights. Do not miss this opportunity!
