PROPERTY DESCRIPTION

The Konawa 58 is a beautiful, wildlife filled property with incredible access! The property is just south of Konawa with paved access leading to just .5 miles of well maintained gravel road leading to the property. The acreage consists of dense hardwoods, persimmon tress, blackberry bushes as well as strategically planned clearings for food plots and feeders. Game and Fish Magazine identified this area of Oklahoma as "Ground Zero" for Oklahoma's record breaking whitetail bucks and this property rests in the heart of their identified area. There are multiple areas throughout the property that are ideal for food plots and/or feeders to provide great stand placement. The future looks bright for this property and a lot of the hard work has already been done. This acreage has 2 ponds on the property one being .3 acres and the other being .25 acres that will produce hunting opportunities as well. This tract of land would also be ideal to build on, having multiple build sites that would provide peace and quiet as well as remarkable access. To Schedule a Showing of this beautiful property contact Trey Percy with Great Plains Land Company at [\(405\) 545-0985](tel:4055450985).
