### **PROPERTY DESCRIPTION**

Welcome to Spring Meadow Ranch: a truly one-of-a-kind recreational and equestrian property tucked away in the scenic countryside of Clay County, Nebraska! Spanning 73 +/- beautiful acres, this remarkable ranch combines luxury living, functionality, privacy, and outstanding wildlife habitat into one unforgettable setting. From the moment you arrive at the gated entrance and follow the long driveway through the ranch, it becomes clear this property was thoughtfully designed to embrace the rural lifestyle while offering every amenity needed to enjoy it to the fullest. At the center of the property sits an incredible custom log home overlooking the surrounding meadows, timber, and pastures. The 5-bedroom, 4.5-bathroom home offers a warm rustic design filled with rich honey-toned woodwork, soaring ceilings, and inviting living spaces that immediately make you feel at home. With an upstairs level and finished basement, the layout provides plenty of room for family, entertaining guests, or simply spreading out and enjoying the peaceful surroundings. The covered front porch is the perfect place to watch the sun come up over the ranch with a cup of coffee in hand, while the back deck offers a quiet place to unwind and take in the wildlife that frequently moves throughout the property. An attached two-stall garage adds convenience while blending seamlessly into the home's stunning lodge-style exterior. Just beyond the home sits an impressive 60' x 120' Morton building that serves as the heart of the ranch's equestrian setup. Designed with both practicality and versatility in mind, the building includes an additional 720 +/- square-foot workshop area, storage room, hay loft, three horse stalls, and a tack room. Outside, a meticulously maintained riding arena provides the ideal space for riding, training, or roping. The ranch is exceptionally well suited for horses or livestock with multiple low-fenced pastures, along with an additional high-fenced area that opens the door for countless possibilities. The recreational aspect of Spring Meadow Ranch is equally as impressive! With multiple springs feeding into Pawnee Creek, the creek winds through the heavily timbered western side of the property, creating a natural wildlife corridor that consistently attracts big Nebraska whitetails and thriving turkey populations. While walking the creek bottoms, turkey tracks could be seen scattered throughout the sandy banks; a true testament to the incredible habitat this ranch provides. Spring Meadow Ranch is more than just a property; it is a place where memories are made!
