Online Auction Terms & Conditions

- 1) **Seller Confirmation Auction:** The property is being offered in an Online Only Auction, with all bids being subject to the Seller's approval. - 3) **Bidding Opens/Closes:** The Online Only Auction bidding shall be opened and begin closing on the dates and times stated above, subject to the soft close feature as outlined below in (#16).
- 4) **Property Preview Dates:** It is highly recommended that all bidders personally inspect the property prior to placing any bids in the auction. - 5) **No Financing Contingency:** By participating in this auction, bidders hereby agree that their bid shall **NOT** be subject to the bidder's ability to obtain financing. However, if a bidder decides to purchase property with a loan, they should make sure they are approved for a loan and that lender is capable of completing on or before closing date.
- 6) **Buyer's Premium: A Ten Percent (10%)** Buyer's Premium shall be added to the final bid price place online, which will determine the Total Contract Sales Price. Bidders hereby understand that the Buyer's Premium shall be added to the winning bid to create the Total Contract Sales Price for which they are obligated to pay for the property. **Example:** (winning online bid \$100,000 + 10% buyer's premium = total purchase price of \$110,000).
- 7) **Purchase Contract:** Winning bidder hereby agrees to enter into the Real Estate Auction Purchase Contract which has been approved by the Seller, immediately upon being declared the Successful Bidder by the Auctioneer. Upon the close of the auction the winning bidder will be forwarded via email an Auction Real Estate Sales Contract to purchase the property. - 10) **Easements:** The sale of the property is subject to any and all easements of record.
- 11) **Survey:** No survey is required to transfer title to the property and the Seller shall not provide any additional survey. If the Buyer desires a survey, it shall be at the Buyer's sole expense and shall not be a contingency or requirement in the purchase contract.

- 13) **Deed:** Seller shall execute a general warranty deed conveying the property to the buyer(s).

Online bidding is subject to technology faults and issues which are outside the control of the auction company. The SELLER and/or Auction Company reserves the right to **(pause)** the online auction bidding in the event of any internal or external technology failure, to preserve the integrity of the auction event and maintain a fair and impartial bidding environment.
- 16) **Soft Close:** If a bid is received within the last 2 minutes of the auction, the auction close time will automatically extend 2 minutes to allow other bidders an opportunity to competitively bid prior to the auction closing. - 18) **Bidding Disclosures:** The property is available for and subject to sale prior to auction. Per Virginia auction code: 18 VAC 25-21-120 Seller or auctioneer on sellers behalf, may bid up to but not beyond sellers reserve price. By participating in this auction, Buyers hereby acknowledge that any bid(s) placed by them is a binding agreement to purchase the property, subject to the bid being approved by Seller (if applicable).
- 19) **Broker Referral Fee:** A Broker Referral Fee of 2% (of the High Bid Price) is offered to VA State Licensed Real Estate Brokers or Salesperson under the following conditions: Referring Agent must contact the Auction company and submit a Broker Participation Form signed by the buyer at least 48 hours prior to auction date. - 20) **Pre-Auction Sales:** As an agent for the Seller, the Auctioneer must present any and all bona fide written offers to the Seller, which may be created outside of the online bidding platform. Therefore, all properties are subject to pre-auction sales. Pre-auction offers must meet all off the auction terms and conditions and must be submitted to the Auctioneer on the Auction Real Estate Sales Contract, along with the required earnest deposit. Properly submitted offers will be presented to the Seller in a timely manner. Seller may accept or reject such offer at their sole and absolute discretion. When a pre-auction offer is submitted, all properly registered online bidders will be notified that “an offer” has been submitted and on which specific property, however the amount of the offer shall remain confidential. All pre-auction offers must allow a minimum of 24 hours for seller’s acceptance. A Broker Referral Fee of 2% (of High Bid Price) is offered to a cooperating VA State Licensed Real Estate Broker or Salesperson on any pre-auction offers that are properly completed and submitted on the appropriate forms provided by the auction company.

(g) **Lead-Based Paint Disclosure.** The certification, required pursuant to the Lead-Based Paint Hazard Reduction Act of 1992, signed by Seller on any residence built prior to 1978. Home was built in 1983 and lead base paint disclosures apply.

(h) **Choice of Settlement Agent.** Virginia's Consumer Real Estate Settlement Protection Act provides that the purchaser or borrower has the right to select the settlement agent to handle the closing of this transaction. The settlement agent's role in closing this transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, the lender for the purchaser will instruct the settlement agent as to the signing and recording of loan documents and the disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Virginia and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.

Variation by agreement: The provisions of the Consumer Real Estate Settlement Protection Act may not be varied by agreement, and rights conferred by this chapter may not be waived. The Seller may not require the use of a particular settlement agent as a condition of the sale of the property.

Escrow, closing and settlement service guidelines: The Virginia State Bar issues guidelines to help settlement agents avoid and prevent the unauthorized practice of law in connection with furnishing escrow, settlement or closing services. As a party to a real estate transaction, the purchaser or borrower is entitled to receive a copy of these guidelines from your settlement agent, upon request, in accordance with the provisions of the Consumer Real Estate Settlement Protection Act.

7. **Standard Provisions.**

(a) **Deposit.** If Purchaser fails to complete settlement on or before the Settlement Date, the Deposit shall be forfeited to the Seller. Such forfeiture shall not limit any liability of the defaulting Purchaser or any rights or remedies of the Seller with respect to any such default, and the defaulting Purchaser shall be liable for all costs of re-sale of the Property (including attorney's fees of Seller), plus any amount by which the ultimate sale price for the Property is less than the defaulting purchaser's bid. After any such default and forfeiture, the Property may, at the discretion of the Seller, be conveyed to the next highest bidder of the Property whose bid was acceptable to the Seller. In the event the Seller does not execute a deed of conveyance for any reason, the Purchaser's sole remedy shall be the refund of the deposit. Immediately upon delivery of the deed for the Property by the Seller, all duties, liabilities, and obligations of the Seller, if any, to the purchaser with respect to the Property shall be extinguished.

(b) **Expenses and Prorations.** Seller agrees to pay the costs of preparing the deed, certificates for non-foreign status and state residency and the applicable IRS Form 1099, and the recordation tax

Except as otherwise agreed herein, all other expenses incurred by Purchaser in connection with the Contract and the transaction set forth therein, including, without limitation, title examination costs, insurance premiums, survey costs, recording costs, loan document preparation costs and fees of Purchaser's attorney, shall be borne by Purchaser. In addition to the Purchase Price, Purchaser shall pay Seller (i) for all propane remaining on the Property (if any) at the prevailing market price as of Settlement and (ii) any escrow Deposits made by Seller which are credited to Purchaser by the holders thereof.

(c) **Title.** At Settlement, Seller shall convey to Purchaser good and marketable fee simple title to the Property by **Deed of General Warranty**, free of all liens, tenancies, defects and encumbrances, except as otherwise indicated herein, and subject only to such restrictions and easements as shall then be of record which do not affect the use of the Property for residential purposes or render the title unmarketable. If a defect is found which can be remedied by legal action within a reasonable time, Seller shall, at Seller's expense, promptly take such action as is necessary to cure the defect. If Seller, acting in good faith, is unable to have such defect corrected within 60 days after notice of such defect is given to Seller, then this Contract may be terminated by either Seller or Purchaser. Purchaser may extend the date for Settlement to the extent necessary for Seller to comply with this Paragraph but not longer than 60 days.

(d) **Land Use Assessment.** In the event the Property is taxed under land use assessment and this sale results in disqualification from land use eligibility, Seller shall pay, when assessed, whether at or after Settlement, any rollback taxes assessed. If the Property continues to be eligible for land use assessment, Purchaser agrees to make application, at Purchaser's expense, for continuation under land use, and to pay any rollback taxes resulting from failure to file or to qualify.

(e) **Risk of Loss.** All risk of loss or damage to the Property by fire, windstorm, casualty or other cause, or taking by eminent domain, is assumed by Seller until Settlement. In the event of substantial loss or damage to the Property before Settlement, Purchaser shall have the option of either (i) terminating this Contract, or (ii) affirming this Contract, with appropriate arrangements being made by Seller to repair the damage, in a manner acceptable to Purchaser, or Seller shall assign to Purchaser all of Seller's rights under any applicable policy or policies of insurance and any condemnation awards and shall pay over to Purchaser any sums received as a result of such loss or damage.

(f) **Property Sold "As Is".** Purchaser agrees to accept the Property at Settlement in its present physical condition. No representations or warranties are made as to zoning, structural integrity, physical condition, environmental condition, construction, workmanship, materials, habitability, fitness for a particular purpose, or merchantability of all or any part of the Property.

(g) **Counterparts.** This Contract may be executed in one or more counterparts, with each such counterpart to be deemed an original. All such counterparts shall constitute a single agreement binding on all the parties hereto as if all had signed a single document. It is not necessary that all parties sign all or any one of the counterparts, but each party must sign at least one counterpart for this Contract to be effective.

(h) **Assignability.** This Contract may not be assigned by either Seller or Purchaser without the written consent of the other.

(i) **Miscellaneous.** The parties to this Contract agree that it shall be binding upon them, and their respective personal representatives, successors and assigns, and that its provisions shall not survive Settlement and shall be merged into the deed delivered at Settlement except for the provisions relating to rollback taxes. SUMMARY OF RIGHTS AND OBLIGATIONS OF SELLERS AND PURCHASERS UNDER THE VIRGINIA RESIDENTIAL PROPERTY DISCLOSURE ACT

Virginia's Residential Property Disclosure Act (the "Act") (Virginia Code § 55.1-700 et seq.) requires real estate licensees to inform the parties to a transaction with whom they deal of their rights and obligations under the Act. The licensee providing this information to you is prepared to answer any questions you may have about what the Act means to you, and to furnish you with a copy of the Act at your request.

The Act applies to sales, exchanges, installment sales, or leases with option to purchase of residential real property improved with one to four dwelling units. The Act does not apply to: transfers pursuant to court order (estate administration, pursuant to writ execution, foreclosure, bankruptcy, condemnation, or by decree for specific performance); transfers among co-owners; transfers among spouses; transfers among parents or grandparents and their children or grandchildren; tax sales; transfers involving a government or housing authority; or (subject to certain exceptions discussed below) sales of new homes.

The Act requires sellers to furnish purchasers with a disclosure statement developed by the Virginia Real Estate Board. The statement must be furnished to the purchaser before final ratification of the purchase contract or the purchaser may terminate the contract or sue later for damages. The disclosures will be current as of the date of delivery. The seller will not be required to provide updated or additional disclosures if a transaction pursuant to a ratified real estate contract proceeds to settlement after the effective date of legislation amending any of the disclosures under § 55.1-700, provided that the correct disclosures were delivered under the law in effect at the time of delivery. The statement will direct purchasers to the RESIDENTIAL PROPERTY DISCLOSURES web page (https://www.dpor.virginia.gov/Consumers/Disclosure_Forms/) for important information about the real property. Purchasers are advised to consult the webpage.

A seller, in furnishing a disclosure statement, makes no representations or warranties as to the condition of the property or any improvements located thereon nor with respect to the matters set forth and described at the RESIDENTIAL PROPERTY DISCLOSURES web page (https://www.dpor.virginia.gov/Consumers/Disclosure_Forms/). Purchaser is advised to exercise whatever due diligence purchaser deems necessary, including a home inspection, as defined in Virginia Code § 54.1-500, in accordance with the terms and condition of the purchase contract, but in any event prior to settlement.

A builder of a new home must disclose to a purchaser in writing all known material defects which would constitute a violation of any applicable building code. In addition, for property located wholly or partially in any locality comprising Planning District 15 (the City of Richmond, the Town of Ashland, and the counties of Charles City, Chesterfield, Goochland, Hanover, Henrico, New Kent, and Powhatan), the builder (or seller, if the owner is not the builder) shall disclose in writing whether mining operations have previously been conducted on the property or the presence of any abandoned mines, shafts or pits. This disclosure does not abrogate any warranty or other obligations the builder may have to the purchaser, and must be made (i) when selling a completed home, before acceptance of the purchase contract, or (ii) when selling a home before or during construction, after issuance of a certificate of occupancy. No disclosure or statement of any kind is required if there is no such information to disclose. Any required disclosure may be, but need not be, contained in the disclosure statement described in this summary.

A purchaser must be furnished with a disclosure statement signed by the seller prior to final ratification of the purchase contract. If such statement is received after final ratification, the purchaser's sole remedy shall be to terminate the purchase contract by sending written notice to the seller either by hand delivery or U.S. Mail, postage prepaid, at or prior to the earliest of (i) three days after receiving the statement (if delivered in person); (ii) five days after postmark (if sent by U.S. Mail, postage prepaid); (iii) settlement; (iv) occupancy by purchaser; (v) purchaser's making written application for a mortgage loan if such application discloses that the termination right ends upon application; (vi) purchaser's execution of a written waiver of the right to terminate (such waiver may not be in the purchaser contract).

If the seller fails to provide the required disclosure statement, the contract may be terminated as set forth above. If the seller fails to provide the required disclosure statement, or the seller misrepresents, willfully or otherwise, the information required in such disclosure, except as a result of information provided by the locality in which the property is located, the purchaser may bring an action to recover actual damages suffered as a result of such violation. No purchaser of property located in a noise zone designated on the official zoning map of the locality as having a day-night average sound level of less than 65 decibels shall have a right to maintain an action for such damages. Any such action must be brought within one year of the date the purchaser received the disclosure statement. If no disclosure statement was provided to the purchaser, the action must be brought within one year of the date of settlement, or purchaser's occupancy of the property by lease with option to purchase.

Purchasers should be aware that neither a seller nor a real estate licensee is obligated to disclose facts or

occurrences which have no effect on the physical structure of the property, its physical environment, or the improvements located thereon, or the fact that the property was the site of a homicide, felony, or suicide. Furthermore, it is a violation of federal law to disclose whether a previous occupant of the property was afflicted with the HIV virus or has AIDS. Purchasers should be aware that in providing a disclosure statement:

1. The owner is making no representations or warranties as to the condition of the real property or any improvements thereon, or with regard to any covenants and restrictions, or any conveyance of mineral rights, as may be recorded among the land records affecting the real property or any improvements thereon. 2. The owner makes no representation with respect to current lot lines or the ability to expand, improve, or add any structures on the property, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary, including obtaining a property survey and contacting the locality to determine zoning ordinances or lot coverage, height, or setback requirements on the property.

The owner is making no representations with respect to any matters that may pertain to parcels adjacent to the subject property, including zoning classification or permitted uses of adjacent parcels. 5. The owner makes no representations with respect to whether the property contains any resource protection areas established in an ordinance implementing the Virginia Chesapeake Bay Preservation Act (§ 62.1-44.15:67 et seq.) adopted by the locality where the property is located pursuant to Virginia Code § 62.1-44.15:74. Purchasers should exercise whatever due diligence they deem necessary to determine whether the provisions of any such ordinance affect the property, including review of any official map adopted by the locality depicting resource protection areas, in accordance with terms and conditions as may be contained in the purchase contract, but in any event prior to settlement on the property.

Such information may be obtained by contacting the local police department or the Department of State Police, Central Criminal Records Exchange, at (804) 674-2000, or on the Internet at <http://sex-offender.vsp.virginia.gov/sor/>.
7. The owner makes no representations with respect to whether the property is within a dam break inundation zone. Purchaser is advised to exercise whatever due diligence the purchaser deems necessary with respect to whether the property resides within a dam break inundation zone, including a review of any map adopted by the locality depicting dam break inundation zones.
8. The owner makes no representations with respect to the presence of any wastewater system, including the type or size thereof or associated maintenance responsibilities related thereto, located on the property and the purchaser is advised to exercise whatever due diligence the purchaser deems necessary to determine the presence of any wastewater system on the property and the costs associated with maintaining, repairing, or inspecting any wastewater system, including any costs or requirements related to the pump-out of septic tanks, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to that contract.
9. The owner makes no representations with respect to any right to install or use solar energy collection devices on the property.

13. The seller represents that there are no pending enforcement actions pursuant to the Virginia Uniform Statewide Building Code (§ 36-97 et seq.) that affect the safe, decent and sanitary living conditions of the property of which the seller has been notified in writing by the locality, nor any pending violation of the local zoning ordinance that the seller has not abated or remedied within the time period set out in the written notice of violation from the locality or established by a court of competent jurisdiction, except as set out in the disclosure statement.

15. The seller makes no representations with respect to whether the property is located in a locality classified as Zone 1 or Zone 2 by the U.S. Environmental Protection Agency's (EPA) Map of Radon Zones, and purchasers are advised to exercise whatever due diligence they deem necessary to determine whether the property is located in such a zone, including (i) reviewing the EPA's Map of Radon Zones or visiting the EPA's radon information website; (ii) visiting the Virginia Department of Health's Indoor Radon Program website; (iii) visiting the National Radon Proficiency Program's website; (iv) visiting the National Radon Safety Board's website that lists the Board's certified contractors; and (v) ordering a radon inspection, in accordance with the terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract.
