### **PROPERTY DESCRIPTION**

Located in Allen County, Ohio, this unique 27 +/- acre property offers recreational appeal, agricultural opportunity, a comfortable country getaway, and a potential business opportunity! Whether you are looking for a weekend retreat, a small income-producing property, or a place to enjoy the outdoors, this property provides a great mix of usable improvements and natural beauty! The centerpiece of the property is a well-designed 28' x 35' building that combines living space and storage. The finished area includes approximately 240 +/- square feet of comfortable living quarters with a full bathroom, a bedroom/living area, and a kitchenette. A mini split system provides efficient heating and air conditioning, allowing the space to be enjoyed year-round. Two covered porches offer the perfect place to relax and take in the peaceful surroundings, while two fire pits create an inviting setting for evenings outdoors. The remaining portion of the building provides approximately 477 +/- square feet of storage space with two overhead doors, offering plenty of room for equipment, recreational gear, and storage needs. The property will potentially include most items currently inside the building, excluding select personal items, power tools, mower, Gator, and wagons. Contact agent for further details. Beyond the improvements, the land itself provides multiple opportunities! Approximately 6 +/- acres are planted in different varieties of apple trees, and the current owners operate a working apple business onsite! This established setup provides immediate income potential and the opportunity for a new owner to continue or expand the operation. An additional 14 +/- acres of tillable farmland is currently leased, creating another source of potential income. The remaining acreage consists of a wooded creek area and road right-of-way, adding privacy, character, and a natural element to the property. The combination of open farmland, mature trees, and water features creates a peaceful setting with plenty of outdoor enjoyment. Properties like this rarely come available, offering the ability to combine a small agricultural operation, recreational retreat, and private getaway all in one! Located in Allen County, this property provides the space and flexibility to create your own vision in the Ohio countryside! Buyers should note that deed restrictions apply to the farmland section located northwest of the creek. Contact the listing agent for further explanation. All showings are by appointment only.
