#### **PROPERTY DESCRIPTION**

75.9 acres (+/-) comprised of improved pasture and natural flat woodlands with a trickling creek. Build your dream custom home, barndominium, or family compound with ultimate privacy and scenic pasture views. Want to have a homestead farm? There is plenty of cleared ground for row crops, and since it is currently used as a cattle farm, a perimeter wire fence is already in place. If horses are your thing, raising horses and riding on the property or surrounding rural backroads could be a daily activity. If you just want a place to get away from it all, bring your RV camper (or tent) and spend time in nature. Hunting: With water and cover on the tract alongside surrounding agricultural activity, wildlife is abundant. Osceola turkey and Whitetail deer are regularly seen on and moving through the land. Features include a water well, raised dirt roadbeds, and a creek crossing, plus over 1/4 mile of county-maintained road frontage. Enjoy a private location that is just a few miles from the amenities of the growing town of Alachua and just over 5 miles from Gainesville, Florida.
