Hansell Road Mountain Property Weston, OR / Umatilla County

PROPERTY DESCRIPTION

The Hansell Road Mountain property is 317 +/- acres of lower mountain heaven. High on top of the ridge top, the property is situated directly over the Umatilla River. The massive breaks of the canyon are breathtaking as you look outward over the 1400 ft gorge and directly into the heart of the Blues. Settlers long ago worked tirelessly clearing back trees in hopes of utilizing its ultra-rich soil for fields of wheat. Nowadays, the dim scars of an old plow are still visible in spots along the old edge of the fields. All the hard work to clear the land has naturally been undone. Pine trees have made their comeback and are perfectly scattered across the landscape, providing shade for the thick and vibrant stand of grass. Small clusters of old-growth forested areas remain in the less farmable areas and provide perfect habitat for wild game. This 3-parcel, buildable mountain property is the perfect chance to create your sanctuary out, away from it all!

- 317+/- contiguous acres with perimeter fence
- 3 separate parcels, 1 buildable
- Power on property with a panel and several RV plugs already wired
- Working Solar well
- Horse pens
- 2 large year-round ponds
- Graveled pad for an RV
- Property location provides year-round access
- Annual property taxes \$447

- Property is within the CTUIR tribal boundary
