## 311 Acres at Lyle Branch in Tuscaloosa County Brookwood, AL / Tuscaloosa County

### **PROPERTY DESCRIPTION**

Welcome to Lyle Branch - 311 acres in Tuscaloosa County, Alabama-a rare opportunity to own a truly diverse recreational and investment tract less than an hour from both Birmingham and Tuscaloosa.

At the heart of this property lies one of its most remarkable features: over three miles of beautiful Davis Creek winding through the center of the land. Its clear water, towering hardwoods, and natural beauty create a setting that's as impressive as it is peaceful.

The diversity across this tract is exceptional. Rolling stands of managed pine timber in various age classes blend seamlessly with mature hardwood bottoms, creating ideal habitat for wildlife while offering long-term timber value.

Several established greenfields are already in place, providing prime locations for hunting and wildlife observation. Whether you're chasing a spring gobbler or watching a mature whitetail step into a food plot on a crisp fall afternoon, this property is built for year-round enjoyment.

Power is available on the property, opening the door for a future cabin, lodge, or homesite overlooking the creek and surrounding timber.

From the extensive wildlife habitat and outstanding hunting opportunities to the scenic beauty of Davis Creek, this is the kind of property that rarely comes available.

311 acres. Tuscaloosa County. A true Alabama outdoor paradise waiting for its next owner.
