## **PROPERTY DESCRIPTION**

The Parker Branch 50 is a great piece of hardwood timber. Less than 30 minutes from Fayetteville and sits just a couple miles off Highway 71. Layers of benches divided by draws offer ideal topography for deer travel. Lots of deer sign throughout the property and a wet weather creek that cuts through the hills. An ATV trail travels to the highest point on the property to provide easy access. With multiple building sites along the road and power on site, this place is also ideal for a cabin or country home.
