Line Creek Bluff- 385± Acres of Premier Recreational Hunting Land in Oktibbeha County – Starkville, MS

Welcome to Line Creek Bluff a 385± acre property in Oktibbeha County, just 8.5 miles from Downtown Starkville and 5.5 miles from West Point. This diverse tract offers exceptional recreational opportunities, productive pasture, timber, abundant wildlife, water resources, and a rich history in one remarkable property.

The land features a beautiful mix of mature hardwoods, pine, pasture, open native fields and grasses, and distinctive cedar-covered areas. The combination of cedar trees, open ground, and rolling terrain gives portions of the property an almost Kansas-like feel while remaining just minutes from Starkville.

One of the property's most impressive features is approximately **2,460 feet of Line Creek frontage**, providing year-round water, fishing opportunities, and excellent wildlife habitat. A **5.5-acre lake** and numerous smaller ponds further enhance the property's recreational appeal.

Oktibbeha County is known for outstanding wildlife, and this property is no exception. The area offers **excellent deer hunting**, with abundant cover, water, food sources, and diverse habitat. The quality of deer on the game camera pictures from over the years on this property is impressive to say the least. Turkey hunting is also exceptional, while the open fields provide excellent **dove hunting**. Numerous coveys of quail can be found throughout the property, adding another unique recreational opportunity that is increasingly difficult to find. The property features 9–10 established food plots, with plenty of additional acreage and opportunity to develop more.

Located along the northern boundary overlooking the Line Creek bottom is an approximately **400± square-foot cabin** with a wraparound porch, electricity, and a wood-burning stove. Situated approximately 1.2 miles off Rockhill Road, the cabin offers an incredible level of privacy and provides an ideal basecamp for hunting, fishing, and enjoying the property.

The front portion of the property consists of fenced pasture that is currently leased to a cattle farmer for grazing, providing an additional agricultural use and income opportunity. A small storage barn provides additional storage.

The property also offers a fascinating glimpse into the area's past. Numerous old homeplaces and hand-dug cistern wells can be found throughout the property. Indian artifacts have reportedly been discovered on the land, and the limestone areas contain numerous fossils, adding a unique historical and geological element rarely found in recreational properties.

Multiple potential homesites are located along Rockhill Road, with **power, public water, and fiber internet** available along the road.
