Laura Ln 7.21 Acres 4551-00-10-3869-000 Cherokee County NC

Notes

- The property was easy to locate w/GPS. Cellular service was unavailable.
- The surrounding countryside is very rural with a few houses and lots of wooded areas.
- Laura Lane is a gravel surface road, with very little local traffic.
- The property is located on the side of a small ridge.
- There is a level area with a stream near the road at the base of the property.
- The slope was steep and very thick with fallen trees, small trees and brush, I could not reach the top of the property safely.
- There was some drainage pipe in a pile near the road other than that the property was clean.
- There was a utility line and a buried gas pipeline along Laura Lane.
- There was also an old road that kind of went up the property but not very far after the creek.
