Italian Style Villa in Western North Carolina! Brasstown, NC / Clay County

PROPERTY DESCRIPTION

In the midst of beautiful Brasstown, rolling hills part to reveal a 69+/- private acre estate, seamlessly blending Tuscan elegance with the beauty of NC's countryside. The villa is a sight to behold, with an imported Italian clay roof & stone construction creating an authentic Mediterranean ambiance. With 1 open room/kitchenette & 1 full bath, you'll be immediately captivated by the reclaimed imported French hardwood floors, French light fixtures, cathedral ceilings with hand hewn timbers, & a 2 story stone fireplace. The pasture & mountain views can be enjoyed from the ground level portico or the second story balcony. A short stroll from the villa brings you to a magnificent stone barn that's as functional as it is beautiful. The barn's main level is an equestrian's dream, featuring three stalls; water piped to each, a wash bay, & an air conditioned tack room. There's also a convenient half bathroom & 2 laundry closets, making it easy to keep up with the demands of farm life. The upper level of the stone barn is an apartment that could serve as a residence, guest or caretaker's quarters, or charming vacation rental. With its own open floor plan, a full bathroom boasting a walk-in shower with Italian ceramic floors, this space offers comfort and privacy. The bedroom in this apartment is a special treat, featuring 2 private balconies overlooking the vistas. Modern conveniences haven't been overlooked, with a tankless water heater, high speed internet, and speaker systems installed in both the villa and the stone barn. A 2nd barn with glass garage door is perfect for a workshop & horses or cattle, while the gentle terrain affords you with countless options for gardens, vineyards, & pastures. The estate feels tucked away from the world, however, the multiple gated entrances ensure you are 15 mins to the Folk School, as well as multiple towns, lakes, & golf courses, & making it desirable as an event venue or for development potential, or you can keep it all to yourself! DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
