PROPERTY DESCRIPTION

64.77 +/- acres of UNRESTRICTED, high elevation, long range layered mountain views and the entire property is usable land. Approximately 35 acres of open rolling pasture and Christmas trees and 30 acres of wooded land. The upper section of woods is beautiful knoll with several potential homesites and a road. There are 4 spring fed ponds, (2 ponds can support trout) and Bear Creek leaves the ponds and is actually the headwaters to Bear Lake. There is a very large workshop and storage area with power to it. A portion of the property was a working Christmas tree farm for many years and there are still many trees on the property. There are so many possibilities for this property from subdividing it with premier homesites, keeping it as a working farm, horses, RVs and so much more. Lake Glenville is one of the largest lakes in the region and is only 10 minutes away! Cashiers is only 20 minutes away. At over 4000 feet in elevation there are tremendous long range layered mountain vistas and the summers are cool and enjoyable. The entrance to the property is off of a state maintained paved road. The driveway is gated and paved all the way to the workshop. This one is a must see!

Directions: From Hwy 107 take Big Ridge road 4.6 miles and property is just past Robinson Creek.
