PROPERTY DESCRIPTION

Hunters and timber investors take a look at this 500 acre property just outside Reidsville Georgia in some of the best deer hunting in Tattnall Co. With over 1.5 miles of Ohoopsee River frontage, this property has 200 +/- acres of clear cut timberland with the remainder of the property being in live oak hammocks, longleaf pine and a substantial hard wood inventory. This property features a neighbor with over 7,000 acres of agricultural land that game forage on in the summer and feed in the oak hammocks and the hardwood bottoms. There are several duck ponds and one river fed lake on the property to attract the whistling wings of the sky as well as great fishing in the river and river fed lakes. There is a 1,000 sq ft bunkhouse with a well, power and septic system for additional buildings, and a dock overlooking the Ohoopsee River. This property has been trophy managed and has been on a protein feed program for 2 years. This is truly a man's outdoor haven.
