Section 4.8. Compliance with Camden Reserve Documents. Each Owner and all those entitled to occupy a Lot shall abide by and benefit from the provisions, covenants, conditions, and restrictions contained in the Camden Reserve Documents. Any lack of such compliance shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, maintainable by the Association or, in any proper case, by one or more aggrieved Owner on their own behalf or as a class action. The Association shall be empowered to impose and assess fines and to temporarily suspend voting rights and the right of use of certain of the Common Area and services paid as a Common Expense in order to enforce such compliance; provided, however, that no such suspension shall deny any Owner or occupants access to the Lot owned or occupied.

Declarant may convey to the Association, by written instrument recorded with the Clerk of Court, selected parcels of the Property more fully described on the attached Exhibit "C", including any Improvements located on and the rights and easements appurtenant to such property. From time to time before the expiration of the Period of Declarant Control,

Declarant may also, but shall not be obligated to, convey to the Association, by written instrument recorded with the Clerk of the Superior Court of Camden County, Georgia, other parts of the Property (including Lots or portions of the Expansion Property) as Common Area, including any roads and streets within the Expansion Property or outside the boundaries of the Expansion Property but necessary or desirable for access to any of the Property or Expansion Property. Declarant may also designate on the Plats areas which shall constitute Common Area and by so designating shall also hereby expressly convey such areas to the Association for the uses and under the terms hereof.

5.2.2. Use of Common Area. The Common Area generally is designated by this Declaration for the common use, benefit and enjoyment of the Owners and their families, tenants, employees, guests and invitees, and such other persons as may be permitted to use the Common Area by agreement established under Sections 5.2.6 or 5.2.7.

5.2.3. No Dedication to the Public. Nothing in this Declaration or the other Camden Reserve Documents will be construed as a dedication to public use, or a grant to any public municipal, quasi-municipal or county authority or utility, or an assumption of responsibility for the maintenance of any Common Area by such authority or utility, absent an express written agreement to that effect.

5.2.4. The Association's Responsibility for Common Area. The Association, subject to the rights and obligations of the Owners set forth in this Declaration, shall be responsible for the management and control of the Common Area and all Improvements on the Common Area, and shall keep it in good, clean, and attractive condition and repair consistent with the standards of Camden Reserve.

5.2.5. Declarant's Right to Perform for the Account of the Association. In the event the Association does not repair or maintain the Common Area, Declarant shall have the right, but not the obligation, to perform such duties for the Association. In that event, Declarant shall be entitled to reimbursement from the Association of all costs incurred by Declarant, such reimbursement being due within thirty (30) days after the receipt by the Association of an invoice from Declarant, itemizing the costs incurred. After expiration of the thirty (30) day period allowed for payment, Declarant may collect interest on the amount due at the Default Rate.

Declarant hereby reserves the right to grant easements, rights-of-way, leases, licenses and concessions through or over the Common Area without approval by the Association, the Board, or the Owners, under such terms as may be acceptable to Declarant from time to time, subject, however to the rights of the Owners to use the Common Area as provided in this Declaration. Without limiting the generality of the foregoing, the Declarant may grant such rights to suppliers of utilities serving Camden Reserve or property adjacent to Camden Reserve, and to developers or owners of the property adjacent to Camden Reserve for the purpose of accommodating minor encroachments onto the Common Area, accessing adjoining property, or other purposes that do not unreasonably interfere with the use and enjoyment of the Common Area by the Owners.

5.2.7. Association's Agreements Regarding Common Area. The Association, acting through the Board of Directors, may grant easements, rights-of-way, leases, licenses and concessions through or over the Common Area without the independent approval by the Owners, subject, however, to the rights of Declarant and the Owners to use the Common Area as provided in this Declaration. Without limiting the generality of the foregoing, the Association may grant such rights to suppliers of utilities serving Camden Reserve or property adjacent to Camden Reserve, and to developers or owners of the property adjacent to Camden Reserve for the purpose of accommodating minor encroachments onto the

Common Area, accessing adjoining property, or other purposes that do not unreasonably interfere with the use and enjoyment of the Common Area by the Owners.

Section 5.3. Rules and Regulations. From time to time and subject to the provisions of the Camden Reserve Documents, the Board of Directors may adopt, amend and repeal rules and regulations, to be known as the "Camden Reserve Rules," governing among other things and without limitation: (i) the use of the Common Area; and (ii) the use of private roads, if any, within Camden Reserve that are not designated as Common Area. A copy of the Camden Reserve Rules in effect will be distributed to each Member of the Association, and any change in the Camden Reserve Rules will be distributed to each Member within a reasonable time following the effective date of the change.

Section 5.4. Ownership of Personal Property and Real Property for Common Use. The Association, through its Board of Directors, may acquire, hold and dispose of personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold or other property interests within Camden Reserve and conveyed to the Association by Declarant.

Section 5.5. Roads.

5.5.1. General Maintenance Obligations. The Association shall be responsible for the maintenance of all roads within Camden Reserve. Such maintenance will include periodic maintenance of the surface and regular trash removal from all roads (but specifically excluding private driveways located within Lots) on the Property and shall include the maintenance of the road shoulders, including mowing, planting and seeding. The Board will cooperate with the applicable traffic and fire control officials to post the roads and streets with traffic control, fire lane, and parking regulation signs.

5.5.2. Declarant Reservation. Declarant reserves the exclusive right to determine and designate the extent and location of "Old Reserve Road", "Chimney Rock Road", "Old Forest Road", "Old Post Road", "Piney Point Lane", "Clark Road", or any other road within the Property or the Expansion Property. Declarant hereby reserves under and across all such roads an easement unto itself, its successors and assigns, for ingress and egress to any other property which it owns or may hereafter own, or have the right to develop with the consent of the owner thereof, which may be accessed by such roads. Additionally, the Declarant reserves the right to grant easements, rights-of-way, leases, licenses and concessions through or over the roads without approval by the Association, the Board, or the Owners, under such terms as may be acceptable to Declarant from time to time, subject, however to the rights of the Owners to use the roads as provided in this Declaration.

Section 5.6. Gates. The Association shall be responsible for the operation and maintenance of any gates to be located at the entrances of Camden Reserve.

Section 5.7. Shelters. The Association shall be responsible for installing a school bus stop shelter upon the written request of any Owner who has a child using the local school bus system. Said shelters may be located at one of the three locations identified as Common Area on the Plat, it being understood that one school bus stop shelter may be located at the intersections of each of Highway 259 with Chimney Rock Road, Reserve Road, and Old Post Road, respectively. The Association shall remain responsible for the maintenance of said shelters. The cost of installation shall be collected as a Special Assessment.

Section 5.8. Books and Records. The Association shall make available for inspection by Owners and Mortgagees, upon request, during normal business hours or under other reasonable circumstances, current copies of Camden Reserve Documents, and the books, records, and financial statements of the Association prepared pursuant to the Bylaws. The Association may charge a reasonable

Section 5.9. Reserve Account. The Association may establish and maintain a reserve fund from Annual Assessments levied pursuant to Section 8.3 below for maintenance, repair or replacement of the Common Area and Improvements located within the Common Area that must be replaced on a periodic basis and for any other facilities made available to the Association that must be replaced on a periodic basis with contribution from the Association.

Section 5.10. Successor to Declarant. The Association shall succeed to all of the rights, duties and responsibilities of Declarant under this Declaration upon termination of the Period of Declarant Control. Notwithstanding the preceding sentence, the Association will not succeed to any rights of Declarant regarding any portion of the Expansion Property which has not then been incorporated into the Property, or to any rights of Declarant regarding any portion of the Property which has then been withdrawn from the Property.

Section 5.11. Implied Rights and Obligations. The Association shall perform all of the duties and obligations imposed on it expressly by the Camden Reserve Documents, together with every other duty or obligation reasonably to be implied from the express provisions of the Camden Reserve Documents or reasonably necessary to satisfy any such duty or obligation. The Association may exercise any other right or privilege (i) given to it expressly by the Camden Reserve Documents, (ii) reasonably to be implied from the existence of another right or privilege given expressly by the Camden Reserve Documents, or (iii) reasonably necessary to effectuate any such right or privilege.

## ARTICLE VI PROPERTY USE RESTRICTIONS

Section 6.1. General Restriction. The Property may be used only for the purposes set forth in this Declaration, as permitted by the applicable zoning and other ordinances of Camden County and the laws of the State of Georgia and the United States, and as set forth in the Camden Reserve Documents or other specific recorded covenants affecting all or any part of the Property.

Section 6.2. Residential Use of Lots. Each Lot may be used only for residential or agricultural purposes. No business or commercial building may be erected on any Lot, and no business or commercial enterprise or other non-residential use may be conducted on any part of a Lot. No mining, quarrying, drilling, or other means of extracting minerals of any kind whatsoever shall be permitted on any Lot.

Section 6.3. Temporary Structures/Mobile Homes. No temporary structures shall be located on the Property except as may be determined to be necessary during construction by the Board, or except as necessary for the exercise by Declarant of the Special Declarant Rights. No mobile homes, manufactured housing, doublewides, or modular units, shall be constructed on or placed on any Lot. This provision, however, shall not preclude the construction of homes consisting of packaged components that are delivered and assembled on site such as log cabins or beam homes, and shall not preclude the Declarant from temporary uses of Lots or other portions of the Property for model homes, parking lots, construction trailer, construction storage areas and/or sales offices, during the Period of Declarant Control.

Section 6.4. Dwelling Quality and Size. All principal residential dwellings shall be made and constructed out of quality workmanship and materials. The exterior of each principal residential dwelling must be completed within one (1) year of the commencing of construction. For single story dwellings, the main structure shall be not less than sixteen hundred (1600) square feet of heated and air-

conditioned space. For two story dwellings, the first floor shall have a minimum of twelve hundred (1200) square feet of heated and air-conditioned space. All principal residential dwellings shall have a garage with a minimum of four hundred forty (440) square feet capable of housing a minimum of two (2) vehicles.

Section 6.5. Water and Sanitation. Individual wells and septic systems are required for service to the Lots and must be constructed and operated in strict compliance with local building, zoning, and health regulations.

Section 6.6. Animals and Pets. Domesticated Animals and pets are authorized on the Property, to specifically include horses and ponies. Notwithstanding this provision, no part of the Property may be used as a pig farm, poultry farm, or similar farm operation which creates noxious or offensive odors or other nuisance-like disturbances to other Owners.

Section 6.7. Signs and Sales. No signs of any kind will be displayed to the public view on or from any portion of the Property (including in or upon any motor vehicle upon the Property) except with the prior written approval of the Board and except, during the Period of Declarant Control, signs of Declarant or its affiliates or assigns, or signs required by law.

Section 6.8. Motorized Vehicles. Trail bikes, all terrain vehicles, four wheelers, gasoline powered golf carts, recreational vehicles, motor homes, motor coaches, campers, trailers, boats, boat trailers or similar vehicles may be parked or kept on a Lot provided they remain hidden from the view at all times from other Lots or Common Areas. This restriction, however, shall not be deemed to prohibit commercial and construction vehicles, in the ordinary course of business, from making deliveries or otherwise providing services to the Property or for Declarant or the other Owners.

Section 6.9. Maintenance. All Lots shall be kept in a clean and attractive manner, and in accordance with the community-wide standard of Camden Reserve. Maintenance shall include mowing of lawns and removing any dead or damaged trees or underbrush on a regular basis, if such lawns, fields, trees, or underbrush are visible from any other Lot or Common Area. Open fields shall be mowed and/or bush-hogged at least twice a year. If any Lot is not so maintained by its Owner, the Association may carry out such maintenance at the expense of the Owner, under the terms and conditions set forth in Section 7.1.

Section 6.10. Trash. No trash, ashes, garbage construction materials or other refuse may be thrown, dumped, or allowed to remain on any land or area within the Property, and there may be no burning or other disposal of refuse on the Property. Each Owner shall provide suitable receptacles for the temporary storage and collection of refuse, and all such receptacles will be screened from the public view and from the wind and protected from animal and other disturbance. If trash, ashes, garbage, construction materials, or other refuse is allowed to remain on a Lot, the Association may provide written notice to the Lot Owner requiring its removal within seventy-two (72) hours. If such trash, ashes, garbage, construction materials, or the refuse is not removed within said period, the Association may remove it without liability, and the expense of removal will be a Default Assessment charged against the Owner as provided in Section 8.6.

Section 6.11. Nuisance. No obnoxious or offensive activity may be carried on within the Property, nor may anything be done or permitted which will constitute a public nuisance. No noise or other nuisance may be permitted to exist or operate upon the Property so as to be offensive or detrimental to any other part of the Property or its occupants.

Section 6.12. Subdivision or Combination of Lots. Declarant makes no representations or warranties as to further subdivision of any Lot within the Property. However, in the event that a Lot, with the specific exception of Lot 73, is subdivided by an Owner, it shall not be subdivided into lots(s) being less

than 5 acres or having the effect of leaving the original lot subdivided being less than 5 acres. This 5 acre restriction shall not apply to Lot 73. Any subdivision, including without limitation the subdivision of Lot 73, must comply with the requirements of Camden County, Georgia, and any specific subdivision or zoning approvals thereunder. If any subdivision occurs, all provisions of this Declaration shall apply to each such subdivided lot. No Lots may be combined without the approval of the Board. If a Lot is subdivided or two or more Lots are combined under this provision, the votes in the Association may be re-allocated among the Lots as reasonably determined by the Board. If a non-Exempt Lot is subdivided, the newly created Lots shall each be liable for the Assessments contemplated herein and shall be treated as separate Lots for such purpose. If multiple non-Exempt Lots are combined into one, said created Lot shall be treated for purposes of allocating and collecting Assessments as the original non-Exempt Lots were and shall remain liable for the multiple assessments.

Section 6.13. Compliance with Laws. Subject to the rights of reasonable contest, each Owner shall promptly comply with the provisions of all applicable laws, regulations, ordinances, and other governmental or quasi-governmental regulations with respect to all or any portion of the Property. Without limiting the generality of the foregoing, each Owner shall abide by any wildlife regulations imposed by the Association or any agency or authority having jurisdiction over the Property. Further, no Owner may dispose or allow any person under the Owner's control or direction to release, discharge or emit from the Property or dispose of any material on the Property that is designated as hazardous or toxic under any federal, state or local law, ordinance or regulation.

Section 6.14. Enforcement. The Association may take such action as it deems advisable to enforce this Declaration. In addition, the Association shall have a right of entry on any part of the Property for the purposes of enforcing this Article, and any costs incurred by the Association in connection with such enforcement which remain unpaid thirty (30) days after the Association has given notice of the cost to the Owner may be subject to interest at the Default Rate from the date of the advance by the Association through the date of payment in full by the Owner, and may be treated as a Default Assessment enforceable as provided in Article VIII.

## ARTICLE VII

### ASSOCIATION'S AND OWNERS' OBLIGATIONS FOR MAINTENANCE

Section 7.1. Responsibility for Lots. Except as otherwise provided in the Camden Reserve Documents or by written agreement with the Association, as to the Lots, all maintenance of a Lot and the Improvements located on it shall be the sole responsibility of the Owner of the Lot. Each Owner shall maintain his Lot in a clean and attractive manner, and in accordance with the community-wide standard of Camden Reserve. The Association may, in the discretion of the Board, assume the maintenance responsibilities of such Owner if, in the opinion of the Board, the level and quality of maintenance being provided by such Owner does not satisfy such standard and the Association is hereby granted a general easement over, across, upon, in and under all exterior portions of such Lot or the Improvements located thereon for such maintenance and repair purposes. Before assuming the maintenance responsibilities, the Board shall notify the Owner in writing of its intention to do so, and if the Owner has not commenced and diligently pursued remedial action within thirty (30) days after the mailing of such written notice, the Association may proceed. The expenses of the maintenance by the Board shall be reimbursed to the Association by the Owner within thirty (30) days after the Association notifies the Owner of the amount

due, and any sum not reimbursed within that thirty (30) day period will bear interest at the Default Rate from the date of the expenditure until payment in full. Such charges will be a Default Assessment enforceable as provided in Article VIII.

Section 7.2 Responsibility for Common Areas. Except as otherwise provided in the Camden Reserve Documents, all maintenance of the Common Areas and the Improvements located thereon shall be the responsibility of the Association. The Association shall maintain the Common Areas in a clean and attractive manner, and in accordance with the community-wide standard of Camden Reserve.

Section 7.3. Owner's Negligence. If the need for maintenance, repair or replacement of any portion of the Common Area (including Improvements located thereon) arises because of the negligent or willful act or omission of an Owner or his family member, guest, invitee or tenant, then the expenses incurred by the Association for the maintenance, repair or replacement may be assessed as a personal obligation of that Owner. If the Owner fails to repay the expenses incurred by the Association within thirty (30) days after the notice to the Owner of the amount owed, then those expenses will bear interest at the Default Rate from the date of the advance by the Association until payment by the responsible Owner in full, and all such expenses and interest will become a Default Assessment enforceable in accordance with Article VIII.

All Assessments, together with fines, interest, costs, reasonable attorneys' fees and other necessary and related charges, shall be a continuing lien upon the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made until paid, except as may be otherwise set forth herein.

Each such Assessment, together with fines, interest, costs, reasonable attorneys' fees and other charges described herein, shall also be the personal and individual obligation of the Owner of such Lot as of the time the Assessment falls due, and two or more Owners of a Lot shall be jointly and severally liable for such obligations. No Owner may exempt himself from liability for any Assessments by abandonment of his Lot or by waiver of the use or enjoyment of the Common Area. A suit to recover a money judgment for unpaid Assessments and related charges as listed above may be maintained without foreclosing or waiving the Assessment lien provided in this Declaration.

The following Lots are exempt from the Annual Assessment and Special Assessments: Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 38, 39, 40, 68, 69, 70, 71, 72, 73, 105, 106, 107, 108, and 109.

Section 8.3. Annual Assessments.

8.3.1. Calculation of Annual Assessments. The Board of Directors shall prepare a budget before the close of each fiscal year of the Association and submit the budget to the Association. Annual Assessments for Common Expenses may be based upon the estimated net cash flow requirements of the Association to cover items including, without limitation, the cost of routine maintenance, repair and operation of the Common Area; maintenance required under Article VII; expenses of management; ad valorem taxes or other charges against the Common Area; premiums for insurance coverage as deemed desirable or necessary by the Association; landscaping, care of grounds and common lighting within the Common Area; routine renovations within the Common Area; wages; common water and utility charges for the Common Area; legal and accounting fees; expenses and liabilities incurred by the Association under or by reason of this Declaration; payment of any deficit remaining from a previous Assessment period; and the supplementing of the reserve fund for general, routine maintenance, repairs and replacement of improvements within the Common Area on a periodic basis, as needed, as contemplated under Article V.

8.3.2. Apportionment of Annual Assessments. Each Owner shall be responsible for that Owner's share of the Common Expenses, with the total liability of the Owners being divided equally among the non-Exempt Lots, except as otherwise may be set forth herein. Declarant shall be responsible for the payment of the share of the Common Expenses for each non-Exempt Lot it owns. Accordingly, at any given time, an Owner's share of Common Expenses will be determined as a fraction, the numerator of which is the number of non-Exempt Lots owned by the Owner, and the denominator of which is the number of non-Exempt Lots then platted and incorporated within Camden Reserve.

8.3.3. Collection. Annual Assessments may be collected in periodic installments as the Board may determine from time to time, but until the Board directs otherwise, they shall be payable annually in advance on the first day of July of each year. The omission or failure of the Association to fix the Annual Assessments for any Assessment period will not be deemed a waiver, modification, or release of the Owners from their obligation to pay the same. The Association shall have the right, but not the obligation, to make pro rata refunds of any Annual Assessments in excess of the actual expenses incurred in any fiscal year.

8.3.4. Date of Commencement of Annual Assessments. The Annual Assessments shall commence as to all non-Exempt Lots on the first day of the next month following the date this Declaration is first recorded in the Office of the Clerk of the Superior Court of Camden County, Georgia. The Annual Assessments shall commence for non-Exempt Lots contained in each phase of Expansion Property incorporated in the Property on the first day of the month following the recording of the Declaration of Annexation incorporating them into the Property, and shall be prorated according to the number of months remaining in the calendar year.

Section 8.4. Special Assessments.

8.4.1. Determination by Board. The Board of Directors may levy in any fiscal year one or more Special Assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of a described capital improvement upon the Common Area, including necessary fixtures and personal property related thereto, or, after adopting and submitting a revised budget to the Association, to make up any shortfall in the current year's budget.

8.4.2. Apportionment and Collection of Special Assessments. The Board shall

apportion Special Assessments among the non-Exempt Lots according to the same guidelines as set forth for Annual Assessments in Section 8.3.2.

8.4.3. Notice. Notice of the amount and due dates for such Special Assessments must be sent to each Owner at least thirty (30) days prior to the due date. Payments for Special Assessments shall be made in full on or before the due date.

Section 8.5. Default Assessments. All monetary fines, penalties, interest or other charges or fees (excluding Annual and Special Assessments) levied against an Owner pursuant to the Camden Reserve Documents, or any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of the Owner pursuant to the Camden Reserve Documents, and any expense (including without limitation attorneys' fees) incurred by the Association as a result of the failure of an Owner to abide by the Camden Reserve Documents, constitutes a Default Assessment, enforceable as provided in this Declaration below.

Section 8.6. General Remedies of Association for Nonpayment of Assessment. Any installment of an Annual Assessment or a Special Assessment which is not paid within thirty (30) days after its due date shall be delinquent. In the event that an installment of an Annual or Special Assessment becomes delinquent, or in the event any Default Assessment is established under this Declaration, the Association, in its sole discretion, may take any or all of the following actions:

8.6.1. Assess a late charge for each delinquency at uniform rates set by the Board of Directors from time to time and not in excess of the greater of \$10.00 or 10 percent of the amount of each Assessment or installment thereof not paid when due;

8.6.2. Charge interest from the date of delinquency at the Default Rate which shall not be in excess of 10 percent per annum interest on each Assessment or installment thereof and any delinquency or late charge pertaining thereto from the date the same was first due and payable;

8.6.3. Suspend the voting rights of the Owner during any period of delinquency;

8.6.4. Accelerate all remaining Assessment installments for the fiscal year in question so that unpaid Assessments for the remainder of the fiscal year will be due and payable at once;

8.6.5. Bring an action at law against any Owner personally obligated to pay the delinquent Assessment charges;

8.6.6. File a statement of lien with respect to the Lot and foreclose as set forth in more detail below; and,

8.6.7. Assess a charge equal to the fair rental value of the Lot from the time of the institution of an action until the sale of the Lot at foreclosure or until judgment rendered in the action is otherwise satisfied.

The remedies provided under this Declaration are not exclusive, and the Association may enforce any other remedies to collect delinquent Assessments as may be provided by law.

Section 8.7. Assessment Lien. Any Assessment chargeable to a Lot shall constitute a lien on the Lot, effective the due date of the Assessment. To evidence the lien, the Association may, but will not be obligated to, prepare a written lien statement with respect to the Lot, setting forth the name of the Owner, the legal description of the Lot, the name of the Association, and the delinquent Assessments amounts then owing together with authorized late charges and interest accrued thereon. Any such statement shall be duly signed and acknowledged by the President or a Vice-President of the Association or by the Manager, and will be served upon the Owner of the Lot by certified mail, return receipt requested, to the address of the Lot and at such other address as the Association may have in its records for the Owner. At least ten (10)

days after the Association mails the statement to the Owner, if the total amount due remains unpaid, the Association may record the statement in the Office of the Clerk of the Superior Court of Camden County, Georgia. Thirty (30) days following the mailing of such statement or notice to the Owner, the Association may proceed by an action, judgment, and foreclosure of the statement of lien in the same manner as other liens for the improvement of real property under the statutes of the State of Georgia. The Association may bid on a Lot at foreclosure sale and may acquire, hold, lease, mortgage and convey the Lot. The lien for Assessments shall lapse and be of no further effect, as to Assessments or installments thereof, together with late charges and interest applicable thereto, which first became due and payable more than three years prior to the date upon which the notice is given or more than three years prior to the institution of an action therefor if an action is not instituted within ninety (90) days after the giving of the notice. The lien rights provided herein shall not apply to any portion of the Property owned by the Declarant.

Section 8.8. Successor's Liability for Assessment. All successors to the fee simple title of a Lot, except as provided in Section 8.10, shall be jointly and severally liable with the prior Owner or Owners thereof for any and all unpaid Assessments, interest, late charges, costs, expenses, and attorney fees against such Lot without prejudice to any such successor's right to recover from any prior Owner any amounts paid by such successor. This liability of a successor will not be personal and will terminate upon termination of such successor's fee simple interest in the Lot. In addition, such successor shall be entitled to rely on the statement of status of Assessments by or on behalf of the Association under Section 8.12 and shall not be liable for nor shall the Lot conveyed be subject to a lien for any unpaid Assessments against such prior Owner in excess of any amount set forth in the statement.

Section 8.9. Waiver of Homestead Exemption; Subordination of the Lien. The lien of the Assessments shall be superior to and prior to any homestead exemption provided now or in the future by the laws of the State of Georgia, and to all other liens and encumbrances except the following:

8.9.1. Liens and encumbrances recorded before the date of the recording of this Declaration;

8.9.2. Liens for real estate taxes and other governmental assessments or charges duly imposed against the Lot by a Georgia governmental or political subdivision or special taxing district, or any other liens made superior by statute; and

8.9.3. The lien for all sums unpaid on a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent, including any and all advances made by the First Mortgagee, even though some or all of such advances may have been made subsequent to the date of attachment of the Association's lien.

With respect to Section 8.9.3, any First Mortgagee or holder of a secondary purchase money mortgage of record who acquires title to a Lot by virtue of foreclosing such mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of such mortgage, may take the Lot free of any claims for unpaid Assessments, interest, late charges, costs, expenses, and attorney fees against the Lot which accrue prior to the time such mortgage holder or purchaser acquires title to the Lot; provided, however, that such unpaid Assessments and related costs and expenses shall be deemed to be a Common Expense collectable from all Owners, including such Mortgagee or other Person and his or her successors, successors-in-title, and assigns.

All other persons who hold a lien or encumbrance of any type not described in Sections 8.9.1 through 8.9.3 shall be deemed to consent that the lien or encumbrance shall be subordinate to the Association's future liens for Assessments, interest, late charges, costs, expenses and attorney fees, as

provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

Section 8.10. Reallocation of Assessments Secured by Extinguished Liens. The sale or transfer of any Lot to enforce any of the liens to which the lien for Assessments is subordinate shall extinguish the lien of such Assessments as to installments which became due prior to such sale or transfer. The amount of such extinguished lien may be reallocated and assessed to all Lots as a Common Expense at the direction of the Board of Directors. However, no such sale or transfer will relieve the purchaser or transferee of a Lot from liability for, or the Lot from the lien of, any Assessments made after the sale or transfer.

Section 8.11. Statement of Status of Assessments. Upon request, the Association will furnish to an Owner or his designee, to any Mortgagee, to a person having executed a contract for the purchase of a Lot, or to any lender considering the loan of funds to be secured by a Lot, a statement setting forth the amount of unpaid Assessments then levied against the Lot in which the Owner, designee or Mortgagee has an interest. The Association will deliver the statement personally or by certified mail, first class postage prepaid, return receipt requested, to the address directed by the inquiring party within 14 business days after the registered office of the Association receives the request by personal delivery or by certified mail, first class postage prepaid, return receipt requested or as otherwise required by the Act. The information contained in such statement, when signed by the Treasurer of the Association or the Manager, will be conclusive upon the Association, the Board, and every Owner as to the person or persons to whom such statement is issued and who rely on it in good faith.

Section 8.12. Failure to Assess. The omission or failure of the Board to fix the Assessment amounts or rates or to deliver or mail to each Owner an Assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay Assessments. In such event, each Owner shall continue to pay Annual Assessments on the same basis as for the last year for which an Assessment was made until a new Assessment is made, at which time any shortfalls in connection may be assessed retroactively by the Association in accordance with any budget procedures as may be required by the Bylaws.

Notice shall be delivered in accordance with Section 4.7.

Section 16.5. Unilateral Right to Amend. The Declarant, or, after the Period of Declarant Control, the Association, may unilaterally amend this Declaration if such amendment is necessary: (a) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (c) to enable any institutional or governmental lender, purchaser, insurer, or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure, or guarantee mortgage loans on the Lots; or (d) to satisfy the requirements of any local, state, or federal governmental agency. However, any amendment under this paragraph shall not adversely affect the title to any Lot unless the Owner of such Lot shall consent in writing.

Section 16.6. Effective on Recording. Any modification, amendment or revocation will be immediately effective upon recording, in the Office of the Clerk of the Superior Court of Camden County, Georgia, a copy of such amendment, modification, or revocation executed and acknowledged by the

necessary number of Owners, if any (and by Declarant, as required), accompanied by a certificate of a Georgia licensed attorney as to ownership, or alternatively, upon the recording in the Office of the Clerk of the Superior Court of Camden County, Georgia, of a copy of the amendment, modification or revocation together with a duly authenticated certificate of the Secretary of the Association stating that the required number of consents of Owners were obtained, if any, as evidenced by a certificate of a Georgia licensed attorney or other authoritative evidence of compliance with the requirements of this Declaration regarding such matters, which will be placed on file in the office of the Association.
