PROPERTY DESCRIPTION

Located just outside of Trenton, NC, this fully open, 19.95 acre property offers a blank slate for a variety of recreational and potential residential opportunities! Call Andrew Walters at [252-904-3184](tel:252-904-3184) to schedule a showing today!

19.95 Acres of Multi-Use Creek Front Land For Sale in Jones County, NC! Identified as tract #2 (see Exhibit A), this fully open property is relatively level, sitting at around 40 feet in elevation, and features +/- 300 feet of frontage along Hwy 41 and around 500 +/- feet of creek frontage. A recent survey is also on file.

Due to a creek bordering the northeast property boundary, a wetland designated area can be found along the northeast property boundary and a small portion of the property is located in the FEMA 100 year floodplain. Despite this, the property is still able to be used, and has been used, for row crop agriculture. The property's soils bordering Hwy 41 consist of rains fine sandy loam, which turns into goldsboro loamy sand towards the center of the property. The northeastern property boundary boarding the creek consists of muckalee loam.

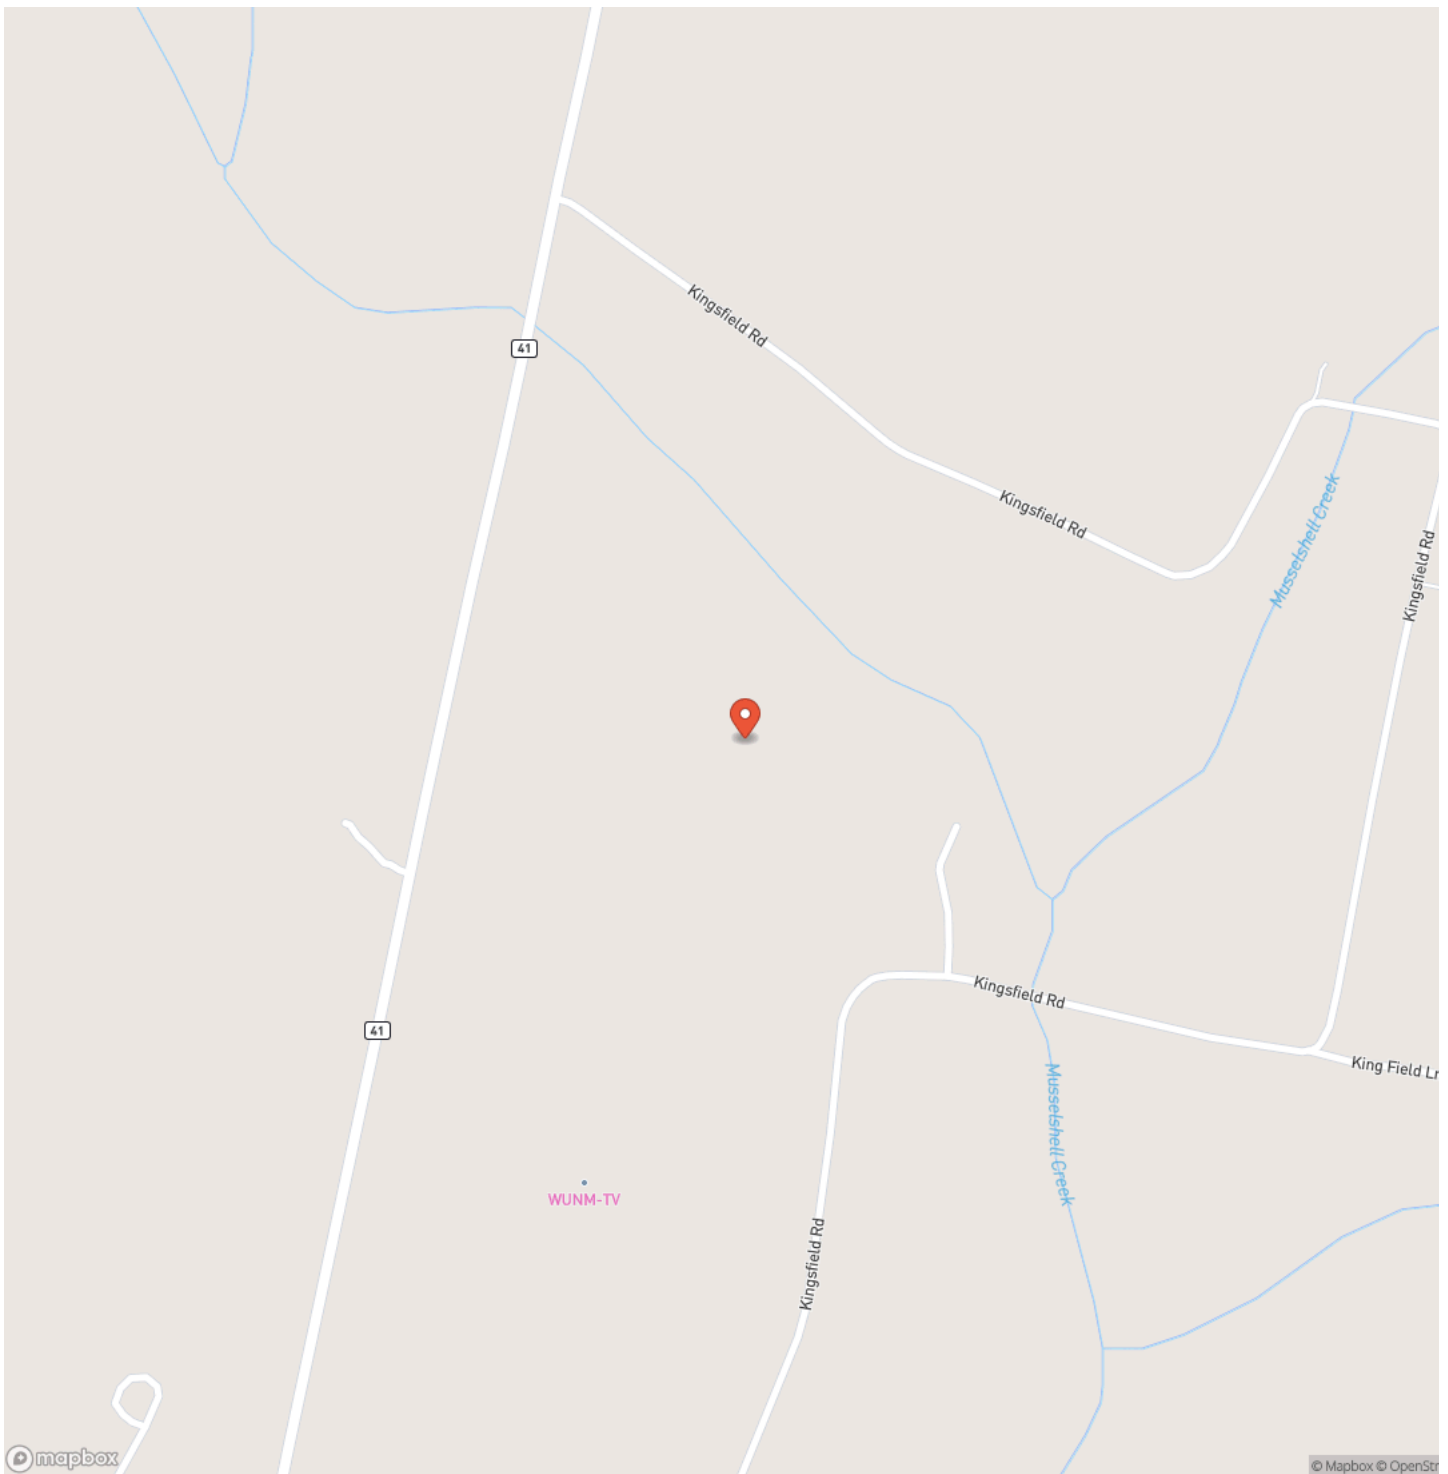

This blank slate of a property requires little to no clearing, offering endless recreational, investment, and residential opportunities! A small homestead, cabin, or hunting camp could potentially be built on the property; however, no soil evaluation has been conducted, so buyers are encouraged to assess the land's suitability for their intended use.
