PROPERTY DESCRIPTION

The Snake Creek tract in the SE portion of Bradley County is the perfect 47 acre parcel for a family or a couple friends to hunt or just hang out on. Located just a few minutes south of Hermitage, near the community of Vick, the property is remote but acessable. Deer, hog, turkey and a variety of small game call the property home and there does not appear to have been ANY hunting activity on the property in several years. Snake Creek forms the western boundary of the tract and holds water year round. Timber production should be high on a buyers wish list as the soils in the area should produce excellent timber stands and economic return, as evidenced by the miles of commercial forests surrounding the tract. Give me a call today for additional information or to schedule a visit to the Snake Creek tract.
