## 550 DELIVERANCE BAPTIST CHURCH ROAD

RONDA, NC | WILKES COUNTY

This property is primarily comprised of hardwood timber, with a portion of the timber being select cut several years ago, leaving great cover and natural browse for wildlife to thrive. There are ample areas to build a rustic cabin or the home of your dreams, and with several creeks flowing through the property, you'd have an idyllic backdrop for a home or to simply relax and cool off on a hot summer day.
